### CHARTER SCHOOL UPDATE

Sardis staff and parents voted to pursue the Schoolwide Enrichment Model to be included in our charter school petition to be submitted to the State Board of Education on November 1, 2008. Thank you to all those that supported this effort! We are in the process of researching this model while we await the State Board's decision to approve this charter petition.

### PTO NEWS

I wanted to thank every parent, teacher and child who volunteered their time to make our Fall Festival a big success. We could not have done it without you all. I think we had a great Fall Festival and everyone had a enjoyable time. I would like to give a big thanks to Charlotte Cliche who worked very hard as our Fall Festival Coordinator.

I wanted to remind everyone of the programs that bring in free money to the school, especially under these tight economic times. Bring in your box tops and remember to use your Public, Kroger, and JJ Foods cards when you shop. This is all free money to the school because we all have to buy groceries. Also if you use natural gas, sign up for the TrueBlue Program.

Keep updated on all school activities and information our website: SardisPTO.com. Mark your calendars for the upcoming PTO meeting on November 6th at 7:00 in the Gym, Santa Workshop on December 3-5th and the Breakfast with Santa and Silent Auction on December 6th

Thanks.....Shelley, PTO President
