Dear Student:

Welcome to Johnson High School! We have an incredible school year ahead of us, one filled with exciting opportunities and experiences. Our faculty and staff are eager to work with you and assist you in becoming the student and person you are meant to be.

It is the goal of Johnson High School to prepare you for future success—to provide you with the skills and knowledge you need to pursue your dreams and to be competitive in a global society. A focus on character and academic excellence will be important to maximizing your potential, as will your participation in extracurricular activities. I encourage you to become involved and actively engaged, both in and outside the classroom, and I promise you, will grow tremendously.

Please let me know if I can be of any assistance to you at all. I am here to help. Good luck, have a great year, and GO BIG BLUE!

Sincerely,
Stan Lewis

SYSTEM LEVEL INFORMATION

General Information

Hall County high schools currently operate on a seven period schedule. Each student has the possibility of earning seven credits each year.

Asbestos Management Notification Plan

The Hall County Board of Education schools AHERA Management Plan is available for public inspection upon request at the Hall County School District Board of Education Office, 711 Green Street, Gainesville, Georgia. This notification is provided to fulfill the requirement of section 763.93(4) of the Asbestos Hazard Emergency Response Act, 40 CFR Part 763, October 30, 1987. All interested parents, teachers, employees or other persons are invited to review the plan, which includes the following items:

- Location, amounts and types of asbestos-contained materials in all schools and support buildings.
- Response actions to the asbestos-contained materials, selected by the Hall County Board of Education.
- Plans for re-inspection, periodic surveillance and operation and maintenance programs.
- Public notification procedures.

Anyone interested in reviewing this plan should contact the Hall County Board of Education at 770-534-1080.

Attendance Policy – High School

Regular school attendance is essential to gaining a quality education. Students need to participate in the experiences, discussion, activities, and special projects integral to the learning process. State law requires that students between the ages of six and sixteen attend school except for the specific reasons listed below. Consequently, regular attendance is essential to maximizing academic achievement, and parents and legal guardians have a legal responsibility to assure that students attend school regularly.

A student shall not be absent from school or from any class or other required school hours except for conditions specified below, or upon written permission of the teacher, principal, or other authorized school official. Absences will be excused if validated for the following reasons:

- Personal illness or attendance in school endangering a student's health or the health of others
- Serious illness or death in a student's immediate family necessitating absence from school
- Court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school
- Observation of religious holidays, necessitating absence from school
- Conditions rendering attendance impossible or hazardous to student health or safety
- Participation as a page of the Georgia General Assembly

- To allow visitation with a parent or legal guardian serving in the U.S. armed forces or National Guard – Students will be granted up to five days of excused absences per school year to visit with the parent prior to the parent's deployment or during the parent's leave.

For an absence to be excused, a student's parent or legal guardian must submit a written excuse within five (5) days of the student's return to school and shall specifically state the date(s) and reason for the absence. Written excuses should also include a parent phone number in the event verification is needed.

Makeup Work: Students shall be permitted to make up all work missed, except for absences caused by out-of-school suspension. However, students who have been suspended shall be allowed to make up tests and major assignments missed while on suspension. **All make-up work must be completed within five (5) days of the student's return to school, unless the principal or designee allows the student additional time for completion.**

If a student is absent on the day of a test or on the day an assignment is due and has been notified of the test in advance or was aware of the assignment, then the student may be expected to make up the test on the date of return or turn in the assignment on the date of return to school.

Excessive Absences: After a student misses at least 16 days during the school year or eight (8) days in a half unit course, an "Attendance Waiver Form" must be completed. If ALL absences are not excused, the student and his/her parent/legal guardian will be invited to attend an attendance waiver meeting at which time documentation for absences will be required. Failure to provide documentation to the school for each absence may result in a loss of course credit.

College Entrance Exams

For optimal performance on college entrance exams, three units of core English, Math, Science and Social Studies courses should be completed before taking the Scholastic Aptitude Test (SAT) or the American College Test (ACT).

It is the students' responsibility to make application to take these tests. Your school counselor can provide application and preparation information in the guidance office.

College Fair (PROBE)

PROBE is a college fair that provides students with an opportunity to visit with college representatives and the Georgia Student Finance Commission. The PROBE tour travels around the state each fall and usually comes to the Georgia Mountain Center during the first semester. Please see your counselor for more information.

Complaint Process

COMPLAINT PROCESS

Most concerns of students and parents can and should be resolved by honest and open communication between the teachers, administrators, students, and parents. Students and their parents may appeal any decision made by the school in regard to a student's education or to any discipline measures taken. Students should first discuss the problem with his/her teacher or counselor. If this person cannot help resolve the problem, then students may talk with either an assistant principal or principal. All matters not settled at the school level may be referred to the superintendent's office, whose decision shall be final.

COMPLAINTS OF DISCRIMINATION/HARRASSMENT

The Hall County School District does not discriminate on the basis of race, color, religion, or national origin, sex or disability in any student program. It is the policy of the Board of Education to comply fully with the requirements of Title VI, Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act and all accompanying regulations. Any student, parent or other person who believes he or she or any student has been discriminated against or harassed based on any of the factors listed above should promptly report the same to the principal of the school or the appropriate coordinator listed below, who will implement the board's discriminatory complaints or harassment procedures. Students may also report harassment or discrimination or retaliation for making the report to their school counselor.

The Title VI Coordinator is Mr. Jim Sargent, Hall County School District, Student Services Department, 711 Green St., Gainesville, GA 30501, 770-967-5846.

The Title IX Coordinator is Mr. Gordon Higgins, Hall County School District, 711 Green St., Gainesville, GA 30501, 770-534-1080.

The Section 504 and Americans with Disabilities Act Coordinator is Mr. Jim Sargent, Hall County School District, Student Services Department, 4851 Union Church Road, Flowery Branch, Georgia, 770-967-5846.

The McKinney-Vento Act system liaison for Homeless or Unaccompanied Minors is Ms. Dania Peguero, School Social Worker, Hall County School District, Student Services Department, 711 Green St., Gainesville, GA 30501, 770-967-9846.

Comprehensive Health & Physical Education Program

Georgia State Board Rule IDB (160-4-2-.12) requires that "sex education and AIDS education shall be a part of a comprehensive health program." If desired, parents and legal guardians may request an opportunity to review all instructional materials related to this program prior to their students entering the program. Parents and legal guardians may opt to exclude their child from sex education and AIDS prevention instructional programs by sending a written request to the school that their child not receive such a course of study.

Counseling Services

Counseling services are available to all students. Counselors are mindful that the success of students depends greatly upon service to parents, legal guardians and students. This guide provides essential information spanning a student's entire high school career.

Counselors are available to assist students with academic and personal success. Several of the specific services that counselor's provide are as follows:

- Academic development
- Advocacy
- Career/postsecondary counseling
- Advisement training
- Assessment/testing & use of data
- Classroom counseling
- Consultation through conferencing
- Coordination/collaboration with students, parents, school staff and community
- Individual conferencing
- Personal/social development through individual and group counseling

Frequently Asked Questions About the Counseling Program

How do I schedule an appointment to see my counselor?

Students may schedule appointments with a counselor by coming to the School Counseling Office before or after school, or between classes. The Counseling Secretary records student requests for appointments to be scheduled at a later time. Students may also go to the Counseling Office in urgent situations.

Once I schedule an appointment with my counselor, how will I be able to leave class to come to my appointment?

Students with scheduled appointments will receive passes to come the School Counseling Office during class.

If I participate in a group offered by the School Counseling Department, will that be counted as an excused absence from class?

Participation in groups offered by the School Counseling Office is an appropriate part of student's public school opportunities. Students participating in groups will not be counted absent from their regularly scheduled classes, but are expected to make up any missed class work. Teachers of students participating in group will receive notification that their students attended.

What if I receive a pass to come to the School Counseling Office when I'm supposed to be taking a test or participating in an important class project?

Any student that receives a pass to see a counselor during a time when they are taking a test or participating in another important class project is asked to reschedule the appointment for a later date. Please come to the School Counseling Office at the end of the period or test/project to reschedule the appointment.

Dress Code

Students are expected to dress in a manner that is not DISRUPTIVE to the school's learning environment. Hats, headbands, bandannas, sunglasses, or caps are not to be worn in the school building unless approved for a special occasion. Shoes must be worn at all times. Knee-length pants, culottes, capri pants and split skirts may be worn.

Examples of inappropriate dress are:

- Shirts, blouses, or T-shirts with vulgar, offensive, or suggestive words or pictures, or which advertise alcohol, tobacco or controlled substances
- Mini-skirts, short shorts, or leggings with short tops
- Midriff tops, tank tops, see-through tops; bedroom slippers
- Chains used to attach items to clothing
- Low-worn/baggy pants, biker pants, or pajama pants
- Clothing or paraphernalia associated with gang affiliation or activity

EXAM EXEMPTION

All students are eligible to exempt the final examination in a course if they meet both of the following criteria:

- Hold a final course average of 85 or higher and
- Have no more than 5 absences in a full credit course or 3 absences in a half-credit course.

An absence is defined as any absence from class, excused or unexcused. School-sponsored activities such as field trips and athletic events do not count as absences.

Students are never eligible to exempt any End Of Course Tests, Advanced Placement or International Baccalaureate examinations.

Extracurricular Clubs and Activities (including GHSA-sanctioned activities)

All school fund raising activities must be approved in advance by the principal. Each club, group, or organization is limited to a maximum of two fund raising events per year. Students are not allowed to sell any items at school without prior approval.

Each school has a variety of student clubs and organizations. For a complete listing of those offered by Hall County Schools, see Appendix A. (Parents who do not want students to participate in one or more clubs must indicate such on the "Parent and Student Signature Pages" in Appendix B of this handbook.)

To be eligible for participation in activities governed by the Georgia High School Association (GHSA), an individual must be enrolled full time in the school that sponsors the competitive activity. *Eligibility rules are complicated.* A student who fails a class may forfeit eligibility for extra-curricular activities for the following semester. In general, a student must be enrolled in seven (7) classes and be passing at least five (5) of those classes each semester, or the equivalent in a postsecondary school, to maintain eligibility for extra-curricular activities and be on track for graduation. Entering 9th graders are automatically "on track"; 10th graders are "on track" with a minimum of 5 units, 11th graders with 10 units, and 12th graders with 16 units earned toward graduation. For a complete listing of GHSA regulations, go to www.ghsa.net.

Students who participate in GHSA sponsored inter-scholastic athletics must have a physical prior to beginning participation. They must also have proof of insurance. Students may purchase school insurance, which covers all sports, except football, which requires a separate policy. (Schools will make this available upon request.) Students in GHSA sponsored athletic programs must also agree to participate in a mandatory drug testing program that is administered on a random basis throughout the school year. Terms and conditions may be found at:

http://www.hallco.org/boe/index.php?option=com_docman&task=cat_view&gid=46&Itemid=44

Students absent from school are not allowed to participate in an extra-curricular activity that occurs on the day of the absence, unless approved in advance by the principal. In addition, students will be disqualified from participating in a given extra-curricular activity if they:

- Violate a disqualifying Georgia High School Association (GHSA) regulation
- Fail to meet the written guidelines or standards established by the State Board of Education, or the parent state, or national organization
- Commit a serious violation of previously communicated written school rules that govern the activity in which they are participating.

Fees and Fines

No fees are needed to participate in any course, but students may be asked to provide materials or equivalent fees for classes in which items are made for personal use. Fines for lost or damaged textbooks will be based on the condition of the book when issued.

Gang Related Activities

Students who use, employ, or rely upon gang membership or affiliation to threaten, intimidate, or to verbally or physically harass or harm other students, employees or persons attending a school-related function, are subject to increased disciplinary penalties.

Georgia Scholars Program

The Georgia Scholars Program provides special recognition for exceptional achievement in academics and leadership, and is a recognition-only program. No scholarship funds are associated with the Georgia Scholar Program. In order to qualify for this recognition, students must maintain a 3.75 non-weighted, cumulative Grade Point Average. Additionally, students must achieve a minimum combined score of 1360 on the critical reading and mathematical reasoning skills sections of the Scholastic Assessment Test (SAT) Reasoning Test at one test administration or a composite score of 31 at one test administration on the American College Test (ACT). Plans must be made beginning in the 9th grade to meet all curriculum, leadership, attendance and fine arts requirements. Please see a counselor as early as possible if interested.

Governor's Honors Program

The Governor's Honors Program is a four-week summer instructional program designed to provide intellectually gifted and artistically talented high school students challenging and enriching educational opportunities not available during the regular school year. Rising 11th and 12th grade students are eligible to apply. A student should contact his/her counselor for details about this program.

Grade Reporting to Parents

A progress and grade reporting schedule is published annually and is available from the school counseling office.

- **Progress Reports**

Parents may check student progress by utilizing the online Parent Portal of Infinite Campus. (See the "Parent Portal" section of this handbook for additional information.) Printed progress reports will no longer be issued by schools except by parent request.

An INCOMPLETE (I) grade on the grade report indicates work that has not been completed. A student has 10 days from the end of the grading period to complete all assignments. Class work not completed will be assigned a grade of zero and averaged with grades to determine the semester average. If a student has not completed an End of Course Test (EOCT), the incomplete will remain until the EOCT requirement has been satisfied.

- **Report Cards**

Report cards will be available approximately seven (7) days after the school year ends. A student is encouraged to provide a self-addressed stamped envelope so the report card can be mailed to the parent/student.

Grades and Quality Points

The quality point system recognizes and rewards the student who takes more rigorous, challenging, and demanding courses. Quality points are awarded for International Baccalaureate, Advanced Placement, Honors and other advanced courses. A student must meet certain criteria to be enrolled in these courses.

For each course, up to one full quality point is added to the student's grade point average and will be reflected in the weighted GPA on the student's transcript. Quality points are used in computing grade point average and class rank.

Calculation of Course Average

The course grade is a cumulative average of all graded work completed during the course. Final exams or state-required End-Of-Course Tests (EOCTs) count as 15% of a course grade with other graded work accounting for 85% of the grade. EOCTs will count 20% of the course grade for students entering 9th Grade for the first time in 2011. Units will be awarded based upon course grades at the end of the course.

Grade Point Average Scale

	<u>LEVEL 3</u>	<u>LEVEL 2</u>	<u>LEVEL 1</u>
95 – 100	5.0	4.5	4.0
90 – 94	4.5	4.0	3.5
85 – 89	4.0	3.5	3.0
80 – 84	3.5	3.0	2.5
75 – 79	3.0	2.5	2.0
70 – 74	2.5	2.0	1.5
BELOW 70	0	0	0

Grading Scale

A	90 - 100 +	Excellent
B	80 - 89	Good
C	70 - 79	Average
F	Below 70	Failing

Calculating Hall County Grade Point Average (GPA)

Create a chart similar to the one below to list each course taken, along with the total units *attempted*, the weight of each course (Level 1, 2 or 3) and the final grade earned. For each course, use the grade point scale to list the grade points earned for each course, then total the grade points for all courses taken. Divide the total grade points by the number of units attempted. The result is the Hall County GPA. Unit credit for courses taken will be awarded at the completion of each course. **NOTE: HOPE Scholarship GPA may NOT be calculated in the same manner. Please go to www.qsfc.org or www.qacollege411.org to learn more about the Hope Scholarship and eligibility.**

Sample Hall County GPA calculation:

COURSE TAKEN	UNITS ATTEMPTED	LEVEL (1 OR 2)	FINAL GRADE	GRADE POINTS	
Spanish	1.0	1	87	3.0	
Biology	1.0	2	94	4.0	
Total	2.0			7.0	GPA = 3.5

Graduation Information

Georgia Testing Requirements (GHS GT, GHS WT and EOCT)

Students entering 9th Grade for the first time in SY 2011-2012 or after	Students entering 9th Grade for the first time July 2008 - June 2011
<ul style="list-style-type: none"> • Must pass GHSWT • Are no longer required to take or pass the GHS GT • Are required to pass courses associated with EOCT, with EOCT contributing 20% to course grade • Are not required to pass EOCT 	<ul style="list-style-type: none"> • Must pass GHSWT • Must pass one of the two subject-area EOCTs <u>or</u> the corresponding subject-area GHS GT • Are required to pass courses associated with EOCT, with EOCT contributing 15% to course grade

A student who completes high school requirements for attendance and academic units, but who does not pass all sections of the Georgia High School Graduation Test or EOCT, whichever is applicable, will receive the high school Certificate of Performance. A Special Education student can be awarded the Special Education Diploma if he/she has not completed the requirements for the high school diploma but has completed his/her Individualized Education Plan (IEP).

A student should take the GHSWT for the first time during the **fall** of the eleventh grade year. Additional testing opportunities will be available if necessary. Students needing to take any section of the GHS GT should see their counselor for advisement on testing requirements specific to the year entered 9th Grade.

A student who has passed at least three of the five required GHS GT & GHSWT tests, participated in all structured remediation activities provided by the school, re-tested at least three times and has still not passed a given area of the GHS GT, may be eligible to apply for a "variance" from the State Board of Education in order to receive a regular diploma. Such students must have passed each of the state's End-of-Course Tests (EOCT's) for the area(s) in which a variance is being sought. For more information, contact the school's graduation coach, counselor or principal. A student who is not eligible to apply for a variance but has met all other graduation requirements (except the GHS GT) may be eligible for a Certificate of Performance or a Special Education Diploma. A student who has left school with a Certificate of Performance or a Special Education Diploma is eligible to return for testing at any scheduled administration of the graduation test(s) as often as necessary in order to qualify for a high school diploma.

Graduation Requirements

Graduation requirements are specific to the year a student first enters the ninth grade. Completion of these requirements does not necessarily qualify students for the HOPE Scholarship Program or for college admission. Please be certain to reference the correct set of requirements prior to planning course requests for the coming year. Students and parents, along with school personnel, have the responsibility for keeping a record of students' progress toward graduation. School counselors will assist in keeping students and parents informed of students' progress toward graduation. Parents of seniors will receive a letter in the fall of the year that indicates any student credits still needed for graduation.

They will also receive notification of unsatisfactory progress.

Students who entered *ninth grade for the first time during the 2008-2009 school year or later* (i.e., first-time freshmen) must have 23 units to graduate. For this group of students only, there is one common set of graduation requirements for all students. Course requirements include:

- **English Language Arts** – 4 core units, including one unit of Ninth Grade Literature and Composition and one unit of American Literature and Composition
- **Mathematics** – 4 core units, including Mathematics 1, Mathematics 2, plus two additional core Mathematics units for students entering 9th Grade in 2008 – 2010. Students entering 9th Grade in 2011 must complete Mathematics 1, Mathematics 2, Mathematics 3, and one additional core Mathematics unit. Remaining units must come from GPS/AP/IB courses; *does not include Algebra I, Geometry or Algebra II.*
- **Science** – 4 core units, including one unit of Biology, one unit of Physical Science or Physics, and one unit of Chemistry, Earth Systems, or Environmental Science
- **Social Studies** – 3 core units, including one unit of World History, one unit of United States History, one-half unit of Economics, and one-half unit of American Government/Civics
- **Health and Physical Education** – 1 unit, including one-half unit of Health and one-half unit of Personal Fitness (3 units of JROTC may be used to meet this requirement)
- **Career Tech and/or Modern Language and/or Fine Arts** – 3 units (*students planning to enter the University System of Georgia or most other post-secondary institutions must take 2 units of the same modern language*)
- **Additional Electives** – 4 units from any area; *may include Algebra I, Geometry or Algebra II*

Students who entered *ninth grade for the first time before the 2008-2009 school year* pursue a High School Diploma with a choice of seals: the College Preparatory (CP), the College Preparatory with Distinction (CP+), the Technology/Career Preparatory (TCP), the Technology/Career Preparatory with Distinction (TCP+), the Dual Seal (D), and the Dual Seal with Distinction (D+). All Diploma seals require a minimum of 23 units. For information about specific course requirements or seals of distinction, contact the school counseling office.

To be eligible to participate in graduation practice and ceremonies, a high school student must complete all course work for the diploma type being pursued.

A student who completes all course work (23 units) for his/her chosen diploma but does not pass all five sections of the Georgia High School Graduation Test or the required End Of Course Tests, receives a High School Certificate of Performance instead of a diploma, but may participate in graduation practice and exercise.

The chart on page 12 may help students in planning a Six-Year-Plan, from middle school through the first year of college. Such a plan takes into consideration academic ability, career goals, interests, and plans for additional education beyond high school. The purpose of the plan is to familiarize the student with graduation requirements and to stimulate thought for the future. At each registration, teachers will advise the student about course selections and

levels of difficulty based on prior performance. Parents are encouraged to monitor their students' progress by updating and reviewing this plan after each grading period. For further information, contact the school counselor or advisor.

Hall County Planning Guide

Each spring, Hall County Schools' students in grades 8-11 receive a High School Planning Guide. This guide provides guidance on planning a high school program of study, descriptions of career clusters and pathways, and descriptions for all high school courses. Information is also provided on various ways Hall County Schools' students can earn college credits as they simultaneously meet high school graduation requirements. To view this guide online, go to the "Online Resources for Parents and Students" at the Hall County Schools website at www.hallco.org.

Honor Graduates

Honor Graduates/Rank in Class

A student whose weighted average is **4.0 or higher** will be classified as an honor graduate. All secondary school grades except for student aide/assistant course grades will be included in calculating the weighted average. All averages will be computed to the fourth decimal place.

Rank in class is determined by numerically placing a student in rank order according to his/her weighted cumulative grade point average (GPA). To be included in class rank, a student must meet all unit requirements and state assessment requirements for graduation. Senior rank will be calculated after the second semester of the senior year. A course in which a student has earned a "P" grade on a Pass/Fail grading system shall not be included when determining the student's rank in class. Similarly, when modern language credit in lieu of enrollment is earned, the numeric grade assigned will not be included in the student's Hall County GPA.

Selection of Valedictorian/Salutatorian

To receive the honor of valedictorian or salutatorian, a student must have been enrolled in the school from which he/she plans to graduate for the two full school years immediately preceding graduation. In addition, such student must have taken at least one course per semester of the last two years on the high school campus.

Selection of the valedictorian and salutatorian will be based upon the senior rank. In addition, a student must have been enrolled in a school that is accredited by the Southern Association of Colleges and Schools or its equivalent for his/her entire secondary school career (Grades 9-12). If two students achieve the same highest senior rank, they will be named co-valedictorians and no salutatorian will be selected. If two students achieve the same second highest senior rank, they will be named co-salutatorians. The responsibility for accepting or rejecting transfer credit is decided by the school principal. (For information about the impact of postsecondary courses on senior honors please see a school counselor.)

<u>Graduation Requirements</u>	Students Entering High School Prior to August 2008			Students Entering High School in August 2008 – 2011	Students Entering High School in August 2012

HOPE Scholarship

Please go to www.gsfc.org or www.qacollege411.org for the most recent and complete information concerning the HOPE Scholarship and eligibility.

HOPE Scholars must graduate with a minimum of a 3.0 grade point average (GPA) on a 4.0 scale. Zell Miller Scholars must graduate with a minimum of a 3.7 GPA on a 4.0 scale and a 1200 SAT (Critical Reading and Math, combined from a single administration) score or a 26 Composite score on the ACT from a single administration.

Hospital / Homebound Services

If a student suffers an injury or illness (non-communicable) that is projected to require an extended absence from school (at least ten consecutive days), he/she may be eligible for services from the hospital/homebound program. Parents/legal guardians should notify the counselor's office as soon as they think the student will qualify for the program. Parents/legal guardians will be given the Student Information Referral and Medical Referral/Certification forms to be completed and returned. Once parents have been notified of approval for Hospital/Homebound Services, a student will receive instruction at home or at the hospital for the time specified and will be marked as "present" in school if the student receives a minimum of three (3) hours of instruction from a certified teacher per week.

Immunization / Communicable Diseases

Every student entering a Georgia school for the first time, regardless of grade level, must present a Georgia Certificate of Immunization Form 3231 (3/2007) upon registration and/or prior to admittance to school. If the student transfers from another Georgia school and the parent/legal guardian is unable to present a copy, this certificate should be forwarded from the last Georgia school attended to the new school.

If the Georgia Certificate of Immunization has an expiration date, the student will be given thirty calendar days after the expiration date to present a new certificate or be withdrawn from school.

All students beginning school in Georgia for the first time must also have a vision, hearing, and dental exam (Form 3300), which may be completed at the public health department, the primary health care provider and/or dentist. This information shall be turned into school officials at the time of enrollment.

Levels of Academic Core Classes

Level 1 - Average Classes: These courses are designed for students who are able to perform at grade level. Classes are designed for students who are college-bound or who will be entering the workforce directly out of high school. Students interested in attending "selective" colleges/universities should strongly consider enrolling in the higher-weighted Level 2 courses to demonstrate the ability to achieve in courses with increased rigor.

Level 2 - Honors/Dual Enrollment Classes: These classes differ from average level courses in at least three important ways:

- The objectives to be achieved tend to be more complex and are to be accomplished at a more rapid pace.

- In-class activities and assignments require a greater complexity of thought, a greater degree of independent inquiry, and a greater degree of sophistication in writing, research, and problem solving skills.
- Course materials tend to be more demanding.

Level 3 – Advanced Placement: The Advanced Placement (AP) curriculum is defined by The College Board and is designed to prepare students for The College Board AP exams. Many colleges and universities will award college credit to a student who receives a particular score on a College Board AP test and successfully completes the associated course.

International Baccalaureate: There are three IB World Schools in Hall County Schools: North Hall High School (serves NHHS only), West Hall High School (serves WHHS only) and Johnson High School (serves CHS, EHHS, FBHS & JHS). IB World Schools share a common philosophy – a commitment to a high quality, challenging, international education that is important to students in Hall County Schools.

NOTE: Any AP/IB student for whom testing materials were ordered and who fail to appear for scheduled testing will be charged a \$13 Unused Exam fee.

Lockers

Lockers are provided for a fee of \$5.00 per school year. School personnel have access to all lockers.

Lunch / Food Services Program

Breakfast and lunch are available at all schools. Special meal pricing is available for students who qualify for free or reduced-price meals. Students must apply for free or reduced meals every year. Applications for free/reduced price meals can be completed at any time during the school year and must be approved before a student can participate in the free or reduced meal program.

Pricing:

- Full Price Breakfast: \$1.00
- Full Price Lunch: \$1.60
- Reduced Price Breakfast: \$.30
- Reduced Price Lunch: \$.40

Borrowing or lending a lunch card/code will be considered theft and will be treated as such. While eating meals, students are expected to:

- Pay for lunch – no charging. (This does not apply to students who qualify for free meals.)
- Stand in line and wait one’s turn.
- Eat in approved areas.
- Keep the tables clean.
- Return trays and trash to designated areas.
- Use good table and eating manners.
- Put chairs back in place.

Media Center

The Media Center is an active part of the school's educational program and is open each school day from 8:00 to 4:00. Contact your local Media Center to explore extended hours. Media Center staff members assist students by:

- Providing reference services including lists of online databases and their passwords.
- Providing instruction in the use of reference materials and audio-visual equipment.
- Reserving books for special assignments.

Fines for overdue books are:

- \$0.10 per school day for all books in general circulation.
- \$0.25 per school day for overnight or reserved books.
- No fine will exceed the replacement cost of the book.

Report cards may be withheld from students who owe fines/fees for lost books. Students will need to bring a pass from the classroom teacher for whom they have an assignment, or they may visit the library before or after school.

Medication Safeguard

Whenever possible, medications should be given at home. However, the school system realizes that for student to maintain school attendance, certain medications may be required during school hours. With the safety of the children and staff being our priority, the system has revised policies and procedures for medications administered at school.

NO medications will be given without prior written permission. For students to receive medication at school, parents will need to complete:

- "The Medication Permission Form" – This provides parent permission for over-the-counter and short-term (less than 10 days) medications, and physician-prescribed long-term (more than ten days) to be administered at school.
- "The Health Care Provider Medication Information Record" – This provides for information from a student's health care provider about medications that is to be given for more than 10 days or regularly during the school year.
- On the rare occasion acetaminophen (Tylenol) may enable your child to return to class after assessment by the licensed nurse, you may indicate permission for your child to receive school stocked acetaminophen from the nurse at school by initialing on the *Student Health History Form* for your child. If your child requires acetaminophen more than 2-3 times in the school year, the parent will be asked to furnish this medication with a Parent Medication Permission Form.

Please take the time to read the **guidelines below** carefully. These policies will require greater cooperation and communication between parents and school personnel.

1. Medications received at school in un-labeled bottles, pills in zip-lock bags and aluminum foil **WILL NOT** be administered.
2. Non-prescription medications (over the counter medications) must be brought to the school in the **original** container along with a written parental request that includes parent contact phone number, and directions for administering that states the frequency, dose and length of administration.
3. Prescription medications must be brought to the school in the **original** prescription container labeled with the student's name, date prescribed, instruction for administering, name of drug, name of issuing Health Care Provider, expiration date, and route medication is to be given.

4. Schools will dispense medications only as directed on the **original** labeled container. **It is the responsibility of the parent/guardian** to notify the school if changes in the medication, dosage, and/or time of administration are requested and a new **original** container must be provided.
5. For ALL medications to be administered for more than 10 school days, the parent/guardian must provide specific instructions, including related equipment needed if necessary, by completing a "Parent/Guardian Medication Permission Form" and by having the student's health care provider complete a "Health Care Provider Medication Information Record".
6. **It is the responsibility of the parent/guardian** to inform the school, in writing, of any changes in pertinent data. A new "Medication Permission Form" must be provided indicating requested changes.
7. **It is the responsibility of the parent/guardian** to deliver **ALL** medication to the principal's office or other designated school personnel.
8. A "Parent/Guardian Medication Permission Form" **and** if pertinent, a "Health Care Provider Medication Information Record" shall be kept relative to each medication taken by the student during the school day. This record will include student's name, name of medication, time, route, and correct dose.
9. Long-term medications usually need to be refilled on a monthly basis. **It is the responsibility of the parent/guardian** to keep the school supplied with adequate amounts of medication.

Questions regarding medication administration at school should be directed to the school principal or the Director of Student Services at 770-967-5846.

Parent Portal

The Infinite Campus Parent Portal is a confidential and secure website where parents can access current information about a child's attendance and grades. Parents may access the Parent Portal by going to the following website: <https://campus.hallco.org/campus/portal/hall.jsp> or click on the link for "Parent Portal" at www.hallco.org.

Each school will provide parents with Parent Portal activation codes and instructions for setting up an online account. Parents only need to activate one account for all children in the household. It is not necessary to set up a new account at the beginning of each year or when a child changes schools within Hall County Schools. Problems with a student's account should be directed to school office.

Parent –Teacher Conferences

A parent wishing a conference with a teacher should contact the school guidance secretary by phone. Conferences should be scheduled in advance and, if possible, before or after school, though no later than 3:35 p.m.

Parking

Parking at school is a privilege afforded to students who have the need to provide their own transportation and who meet the necessary requirements. The abuse of this privilege may result in revocation of the parking permit. A limited number of parking spaces are available at each high school on a priority basis. A parking permit is required and must be displayed. The cost for a parking permit is \$30.00 per semester at traditional high schools and \$5.00 per semester at LCCA. Students are required to present an application signed by a parent or legal guardian, a valid Georgia driver's license, and proof of insurance BEFORE

the parking permit will be issued. Students purchasing a parking permit must sign a waiver subjecting them to the terms and conditions of the HCSS Drug Screening Procedures for Interscholastic Athletics and Permitted Car Drivers. Terms and conditions may be found at:

http://www.hallco.org/boe/index.php?option=com_docman&task=cat_view&gid=46&Itemid=44

Personal Possessions & Valuables

Students are discouraged from bringing personal possessions and valuables to school. The school is not responsible for any items lost or stolen. Large sums of money should not be brought to school.

Post-Secondary Options (Dual Enrollment – i.e., Accel, Early Admissions)

In addition to the possibilities for earning college credit through the Advanced Placement and International Baccalaureate programs, a variety of other opportunities exist for students to receive both high school credit and college credit. Under the umbrella of post-secondary options, students may spend part of the day on the high school campus, while spending the remainder of the day at the post-secondary campus itself or students may remain on the high school campus while taking technical advanced courses (i.e. articulated courses). Students taking dual enrollment courses may be provided with two periods off per college course to allow sufficient time for travel to or from the college. When high school credit is earned for post-secondary courses, a high school unit of credit is determined at the following rate:

Semester Hours	Units of Credit	Quarter Hours	Units of Credit
3-5 hrs.	1.0	4-8 hrs.	1.0
1-2 hrs.	0.5	1-3 hrs.	0.5

ACCEL: Students may apply through your local college for participation in the Accel Program, which allows students to pursue postsecondary study in approved public and private colleges while receiving dual high school and college credit for courses successfully completed. Students interested in this program must complete an application through the school counseling office. ACCEL courses must come from the state approved course directory (found on the Georgia Student Finance Commission website at www.GACollege411.org) and are only available in the areas of the core graduation requirements for college preparatory students: English, Mathematics, Social Studies, Science, and Foreign Language. See the school counselor for a list of courses that have been pre-approved for your school.

Early Admissions: A student who attends a postsecondary institution full time is responsible for getting grades sent to the high school prior to the scheduled graduation date. Such "early admissions" require a minimum of 3.0 average and 970 on the SAT I, higher at some institutions. Both joint enrollment and early admissions can take place in a public or private postsecondary setting. If a student attends a Georgia public institution, postsecondary options rules apply. **A student must meet certain requirements to maintain extracurricular eligibility and eligibility for valedictorian, salutatorian, honor graduate, etc.** Consult the high school counseling office for details about each institution's requirements.

Dual Enrollment: Dual enrollment classes can be taken during the junior or senior year for postsecondary and high school credit. **Dual Enrollment** courses offer students opportunities to take career-technical courses at a Technical College (e.g., Lanier Technical College) and earn both high school and college credit. Please note that not all post-secondary courses are eligible for high school credit. Consult the high school counseling office for details.

Promotion Policy

Class placement is made at the beginning of each academic year based on the number of units posted on the student's academic record at that time. (In most Hall County high schools, juniors who are repeating the eleventh grade may be placed in a senior grade/class at mid-year of the fourth year in high school provided they will be able to accumulate enough units to graduate at the end of the school year.)

Grade/Class	Units Required for Grade Placement	Units Required for Competitive Extra-Curricular Activities
8 th to 9 th Grade (Freshman)	Student must pass five (5) of seven (7) or four (4) of six (6) subjects, including both language arts and math.	All students entering 9 th grade for their first semester of high school are academically eligible to participate.
9 th to 10 th Grade (Sophomore)	6 units	5 units *
10 th to 11 th Grade (Junior)	12 units, including 2 core English, 2 core Math, 1 core Social Studies, and 2 core Science units	10 units *
11 th to 12 th Grade (Senior)	18 units, including 2 core English, 3 core Math, 2 core Social Studies, and 2 core Science units, and have a planned program providing for sufficient credits to graduate in the following June or August.	16 units *

* **Note: Eligibility rules are complicated.** A student taking seven classes would need to pass a minimum of five in a semester to maintain eligibility and earn required units to stay on-track for graduation. GHSA requirements may be found at www.ghsa.net

Release of Directory Information to the Armed Forces

Names and addresses of junior/senior students will be made available to the armed services. If students wish their names removed from this list, they must make a written request to the counselor's office.

Schedule Changes

Schedule changes may be requested during the first 5 days of classes. Requests will be approved only when based on **valid academic reasons**.

A student may not withdraw from a course after 5 school days. The principal may allow a student to transfer to another course after the 5th day if extenuating circumstances warrant such action. Legitimate reasons for dropping/adding a course within the limited number of days may include the following:

- The student has already received maximum credit for the course.
- The student is taking a course out of sequence.
- The student is a senior and needs another class to graduate.

With the exception of those in their fifth year of high school, all students will be required to enroll for seven (7) periods per day, or the equivalent, each semester. Enrollment may include any course in the High School Planning Guide, as well as dual enrollment, credit recovery, or Georgia Virtual School courses.

Requests for schedule changes will be contingent on available space in the class a student wishes to add. Changes in a student's schedule will not be made to move a student from one teacher to another or from one period to another unless the school must do so to balance class sizes.

School Insurance

School insurance is available to all students. Applications for school insurance are given to students at the beginning of each school year. Additional applications are available in the school office. Students who plan to participate in any athletic competition must either provide proof of insurance or purchase school-provided insurance which covers all athletics except football (requires a separate policy).

School Jurisdiction

School social functions are for the school's students and their dates only. Students are under school jurisdiction and authority at all school-sponsored events and activities. Students will be expected to follow all policies governing student behavior during all activities involving the school, including extra-curricular activities.

School Pictures

Students may elect to have a school pictures taken during the school year. All school pictures are prepaid with retakes or refunds available upon request. The date and time for pictures are announced.

School Visitors

Visitors must report to the main office prior to visiting any area of the school.

Severe Weather

Should severe weather necessitate closing or early dismissal of school, this information will be posted on the Hall County Schools website at www.hallco.org. This information will also be broadcast over WDUN Radio (550 AM) and other area radio stations. School closing announcements will be released to the media by approximately 6:00 a.m.

School buses will not leave school during a tornado or severe weather WARNING. Buses will run regular routes when the warning is canceled.

Student Illnesses / Accidents During School Hours

Students who become ill or injured at school should report the problem to a teacher. Parents or legal guardians will be notified if the condition warrants.

Student Support Teams

If a student experiences difficulty in schoolwork, his/her teachers may form a Student Support Team that will help clarify problems and will consider making adjustments to the student's instructional program. Parent/legal guardians are invited to attend all SST meetings and will be informed of any recommendations. For more information, contact the Student Support Team Coordinator at the student's high school, or contact the Hall County Department of Student Services at 770-967-5846.

Teenage and Adult Driver Responsibility Act

Schools will continue to report to Student Services students age 15 to 17 who are in violation of the Teenage and Adult Driver Responsibility Act by submitting a Certificate of Non-Compliance form. These forms will be submitted as soon as possible after the student becomes non-compliant, resulting in a recommendation to revoke the driver's license. Schools are also responsible for providing Certificates of Attendance for students who are in compliance. Some highlights of this Act follow:

Non-compliance – Schools must report students age 15 to 17 who:

- drop out of school
- have a total of 10 unexcused absences (do not have to be consecutive) in any current school year or previous school year
- are suspended for threatening, striking, or causing bodily harm to school personnel
- are suspended for possession or sale of drugs or alcohol on school property
- are suspended for possession or use of a weapon on school property
- commit any sexual offense prohibited under Chapter 6 of Title 16
- cause substantial physical or visible bodily harm to or seriously disfigure another person/student

Certificate of Attendance

- Schools may make copies of blank Certificate of Attendance forms as needed.
- Examining stations will recognize Certificates of Attendance for 30 days after the date is notarized with the exception of the summer months. Students who need a certificate during the summer should request a form in May. These certificates will be honored during the summer.
- Students must have a Certificate of Attendance when applying for a learning permit or driver's license.

Certificates of Re-enrollment/Reinstatement are available when:

- Students have had a license revoked, but have resumed regular studies. (Regular studies do include ALC, Lanier Career Academy, etc.).
- Students seeking reinstatement shall do so through one of the reinstatement centers across the state. Reinstatement will not go into effect until 90 days after the Department of Public Safety actually suspended the permit.
- Schools may use Certificate of Re-enrollment forms for correction if students are submitted by error.

Parent Affidavits

Attendance forms for students who quit school at age 16 or older are available only through the Department of Public Safety and not through the school.

Telephones

Office telephones are for official school business only. Personal messages will be relayed to students during the school day in case of family emergencies.

Transcripts

Transcript requests may be made by completing a transcript request form and submitting it to the secretary in the School Counseling Office. While there is a \$3.00 fee for all final transcripts (i.e. graduating seniors, graduates, withdrawn students), there are no fees imposed for electronic transcripts.

Transfer Credit for Work in Other Schools

Hall County School District will validate competency before awarding credit for work completed at a home school or private school that is not fully accredited by one of the accrediting agencies listed in SBOE Rule 160-5-1-.15.

A student entering a Hall County School District high school from private or home schools not fully accredited by one of the above associations is required to validate competency through testing. Please contact the local school counseling office for details.

Transportation

Students may ride the school bus if students live in the proper school's attendance zone. Riding the bus is a privilege, and students must cooperate with the bus driver at all times in order to insure the safety of students and others on the bus. Parents are asked to avoid bus loading zones at the schools when buses are loading or unloading students.

Additional Learning Opportunities in High School**Alternative Learning Center (ALC)**

The purpose of the Alternative Learning Center (ALC) is to provide educational opportunities to students whose unacceptable behavior has excluded them from the regular school program for more than 10 days. Students are offered the option to apply at ALC through the disciplinary tribunal process.

English Language Learner Program (ELL)

The goal of the ELL program is to provide an opportunity for a student whose primary or home language is not English to acquire proficiency while continuing to learn content. Schools identify the student whose primary or home language is not English. Local school or district staff administers an English language proficiency test to determine if the student is limited English proficient and needs ELL instruction.

Lanier Choice (formerly the "Evening High School")

Lanier Choice provides students in grades 9-12 who are at least 16 years old with an opportunity to complete courses needed to earn a high school diploma. Students interested in attending a non-traditional setting are particularly attracted to this flexible program, where classes are held Monday-Thursday, beginning as early as 12:00 (noon) and ending 4:00 p.m. Computer labs for online courses

are open from 12:00 (noon) through 7:00 p.m. Instruction is provided through a combination of teacher-taught, independent study, and self-paced online courses in English, science, mathematics, social studies, Spanish, business education, marketing, culinary arts, healthcare science, and construction. Lanier Technical College also offers several courses for college credit onsite. Through Lanier Choice, teen parents may apply for on-site child care through the Child Development Center. Lanier Choice also serves as the alternative program for students in grades 9-12 who are under a tribunal decision or waiver. Students who are off-track for graduation at their traditional high schools may attend Lanier Choice part-time to complete the courses needed get back on-track for graduation. This program is also attractive for students who may have dropped out of school and would like a chance to earn a diploma before they reach the age of twenty-one. Students must complete an application and intake interview, which can be scheduled by calling 770-531-2330.

Project FORWARD

Students who are 17 years or older, with ten or fewer high school credits, are provided with a school program through Lanier Career Academy's Project FORWARD. This program provides remediation in core academic skills, particularly in areas that prepare students for a GED &/or the ACCESS test (required for entrance into Lanier Technical College). For students for whom earning a high school diploma by age 21 is unlikely, this program provides a great option for students who need a completer credential to enter technical college. This program is customized to address each student's needs. After taking a predictor test, a prescriptive plan is developed that provides review and instruction in areas needed for success on the GED &/or ACCESS. When a student's prescriptive plan is completed, a referral may be made to Lanier Technical College for participation in their Adult Education GED Program. Students in Project FORWARD may either provide their own transportation or may ride the school bus to and from their home school. Classes are held Monday-Friday, beginning at 8:45 a.m. and ending at 2:30pm.

Extended Instructional Programs

Summer School/Review for Graduation Tests: Depending on state funding, a summer school program at the secondary level, grades 9 through 12, offers opportunities for extended educational experiences allowing a student to take advantage of remedial instruction supplementing regular school term learning and shall include a summer remedial program for the eligible student who has failed any section(s) of the Georgia High School Graduation Test (GHS GT/GHSWT).

Summer school academic courses for credit will be provided based on minimum student enrollment. No course credit shall be awarded for participation in the GHS GT/GHSWT summer remedial program. Transportation and food services may be the responsibility of the student and his/her parent(s).

Section 504 of the Rehabilitation Act

Section 504 of the Rehabilitation Act of 1973 is a comprehensive civil rights law that addresses the rights of the disabled and applies to all agencies receiving federal financial assistance. The law states: "No qualified individual with disabilities, shall, solely by reason of his/her disability be excluded from participation in, or denied benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

Section 504 is not an aspect of "special education," but rather, is the responsibility of the general education system. Frequently the needs of a student

experiencing difficulties at school can be met through the Student Support Team (SST)/Response to Intervention (RTI) process. If the intervention team has documentation that a disability condition may exist, referral to the Section 504 Committee for consideration may be in order to determine eligibility for accommodations and to ascertain whether or not equal access to school is a concern. If access is not being denied and educational progress is being made, an accommodations plan may not be needed. For more information, contact the Section 504 Coordinator at the student's high school, or the Hall County Schools 504 Coordinator, Mr. Jim Sargent, at 770-967-5846.

Special Education

Special education programs are available to the students who meet eligibility criteria for specific learning disabilities, intellectual disabilities, emotional and behavioral disorders, speech/language impairments, blind/visually impaired and/or deaf/hard of hearing, orthopedically impaired, autism, traumatic brain injury and other health impaired. All due process procedures as mandated by state and federal laws are strictly adhered to.

A full continuum of Special Education services are available based upon the decision of a student's IEP team. An individual Transition Plan is written for each student to support his/her movement from school to adult life. For further information, contact the Hall County Special Education Department, 711 Green Street, Gainesville, Georgia 30501 (Phone: 770-534-1080).

Education and Career Partnership (ECP)

The Education and Career Partnership (ECP) is a nationwide career development system, which provides a student with a planned program of study that can lead to a diploma, associate degree, or bachelor's degree. ECP education is a four-year planned sequence of study for a technical field, beginning in the junior year of high school. The sequence continues through two years of postsecondary occupational education or an apprenticeship program of at least two years following secondary instruction, and culminates in a certificate or associate degree.

Through agreements with technical colleges, a student can receive exemption credit for academic and technology/career classes taken in high school, as long as the student receives a grade of 85 or better in the high school course and passes a competency examination upon admission to the technical college. With exemption credits, a student can "bypass" or "skip" selected postsecondary courses at technical colleges in Georgia. This reduces the amount of time required for program completion and eliminates the duplication of coursework. For more information about the ECP programs available at a school, contact the school counselor.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the Hall County School District receives a request for access. Generally, a parent will be permitted to obtain a copy of education records of his/her child upon reasonable notice and payment of reasonable copying costs. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The Principal will make

arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the Hall County School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading, or otherwise in violation of the student's privacy or other rights.

If the School System decides not to amend the record as requested by the parent or eligible student, the System will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record, commenting on the contested information in the record.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. Generally, schools must have written permission from the parent or eligible student before releasing information from a student's record. However, FERPA allows schools to disclose records, without consent, to the following parties:

- School employees who have a need to know;
- Other schools to which a student is transferring;
- Certain government officials in order to carry out lawful functions;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for the school;
- Accrediting organizations;
- Individuals who have obtained court orders or subpoenas;
- Persons who need to know in case of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to Georgia law.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed of the Hall County School District as an administrator, supervisor, instructor, or other support staff member (including health or medical staff and law enforcement personnel); a person serving on the School Board; a person or company with whom the System has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, or such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the System discloses, and forwards if necessary, education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to object to the release of "directory" type information such as a student's name, address, telephone number, date and place of birth, honors and awards, weight and height of student if he/she is a member of an athletic team, photograph, grade level, and dates of attendance. Parents or eligible students

may request, in writing, that the Hall County School District not disclose directory information about them. They should make this request annually by September 30th.

5. The right to file with the U.S. Department of Education a complaint under 20 C.F.R. 99.64 concerning alleged failures by the Hall County School District to comply with requirements of the Family Educational Rights and Privacy Act or the regulations promulgated there under.

The Office that administers FERPA is:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Protection of Pupil Rights Amendment (PPRA)

(1) Parents and eligible students (18 or older or emancipated minors) shall be notified at the beginning of the school year of the approximate dates during the school year when any of the activities listed below are expected to be scheduled. The Board of Education has developed and adopted policies, in conjunction with parents, regarding the activities described in paragraph 1. In accordance with Board policies, prior written consent must be obtained from parents before students are required to submit to any survey that contains questions about one or more of the areas listed in subparagraph (1)(A) and that is funded in whole or in part by the U.S. Department of Education. Parents have the right to inspect any survey or instrument used in the collection of information under subparagraphs (1)(A) and (1)(B) before the instrument is administered or distributed to a student and to opt out their student from participation in any activities described in paragraph (1) in accordance with regulations developed by the Superintendent.

(A) The administration of any survey containing one or more of the following items:

- (i.) Political affiliations or beliefs of the student or the student's parent;
- (ii.) Mental or psychological problems of the student or the student's family;
- (iii.) Sex behavior or attitudes;
- (iv.) Illegal, anti-social, self-incriminating, or demeaning behavior;
- (v.) Critical appraisals of other individuals with whom respondents have close family relationships;
- (vi.) Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- (vii.) Religious practices, affiliations, or beliefs of the student or student's parent; or
- (viii.) Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program), without prior written consent of the parent or eligible student.

(B) Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

(C) Any non-emergency, invasive physical examination or screening that is required as a condition of attendance, administered by the school and scheduled by the school in advance, and not necessary to protect the immediate health and safety of the student, or of other students.

(2) Parents may, upon request, inspect any instructional material used as part of the educational curriculum for their student.

(3) The school is required by federal law to give this notice to parents. However, the school does not have scheduled any marketing activities or physical exams such as those described in paragraphs 1(B) and (C). If any such activities are initiated during the school year, parents will be notified accordingly and will be afforded all rights as described herein.

(4) Parents/ eligible students who believe their rights have been violated may file a complaint with: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave. SW, Washington, D.C. 20202-4605.

SECTION 504 HEARING REQUESTS

Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator, Mr. Jim Sargent; however, a grievant's failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system's 504 Coordinator. The school system's Section 504 Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system's central office. Copies of the 504 Procedural Safeguards and Notice of Rights of Students and Parents Under Section 504 may be found at the system's website or may be picked up at the central office or at any of the school offices.

No Child Left Behind (NCLB)

In compliance with the requirements of The No Child Left Behind Act of 2001, the Hall County School District informs parents that they may request information about the professional qualifications of their student's teacher(s). The following information may be requested:

- 1) whether the teacher has met the Georgia Professional Standards Commission requirements for certification for the grade level and subject areas in which the teacher provides instruction;
- 2) whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
- 3) the college major and any graduate certification or degree held by the teacher;
- 4) whether the student is provided services by paraprofessionals, and, if so, their qualifications.

If a parent wishes to request information concerning their child's teacher's qualification, please contact the school principal.

Hall County Code of Conduct and Discipline Procedures

It is the purpose of the Hall County Board of Education to operate the school system in a manner that will provide an orderly process of education and that will provide for the welfare and safety of all students who attend our schools. In accordance with that purpose, the Hall County Board of Education has adopted a policy that requires schools to follow codes of conduct that focus on maintaining a good learning environment for all students. These standards for behavior require students to respect each other and school district employees, to obey

student behavior policies adopted by the Board and to obey student behavior rules established at each school within the district.

The school's primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by policies, regulations and rules set forth in this Code of Conduct and Discipline Procedures. Such governing rules shall be published and provided annually to all school personnel and students. Parents are encouraged to become familiar with the policies, regulations and rules of the school system, and to be supportive of these in their daily communication with their children and others in the community.

Major discipline offenses, including, but not limited to, drug and weapon offenses, can lead to a school being named as an Unsafe School according to the provisions of the State Board of Education Rule – Unsafe School Choice Option.

AUTHORITY OF THE PRINCIPAL

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly or dangerous conduct not covered in this Code, the principal may undertake corrective measures which he or she believes to be in the best interest of the student and the school provided any such action does not violate school board policy or procedures.

CODE OF CONDUCT

The students of the Hall County School District are expected to maintain good order and discipline in the school environment. Good order and discipline may be described as the absence of distractions, frictions and disturbances which interfere with the optimum functioning of the student, the class and the school. It is also the presence of a friendly yet business-like rapport in which students and school personnel work cooperatively toward mutually recognized and mutually accepted goals.

This Code of Conduct is effective during the following times and in the following places:

- At school or on school property at any time;
- Off school grounds at any school activity, function or event and while traveling to and from such events;
- On vehicles provided for student transportation by the school system and at bus stops.

Also, students may be disciplined for conduct off campus which could result in the student being criminally charged with a felony and which makes the student's continued presence at the school a potential danger to persons or property at the school or which disrupts the educational process.

COMPULSORY SCHOOL ATTENDANCE LAW

Consequences and Penalties for Non-Compliance with Compulsory School Attendance Law:

Assuring that children attend school regularly is an important part of a parent's responsibility. Parents are responsible for providing school officials with verification of reasons (written absence notes) for each absence. When your

child must be absent, it is important that you state the reason(s) for your child's absence(s) in writing and share these with the school as soon as possible. Any absence not certified by a parent/guardian, physician or court/other agency (meeting the definition of an unexcused absence) is considered unexcused.

Failure to comply with compulsory school attendance as required under Code Section 20-2-690.1. Any parent, guardian, or other person residing in this state who has control or charge of a child or children shall enroll and send such child or children to a public school, a private school, or a home study program that meets state requirements. Any parent, guardian, or other person who has control of a child or children who is in violation of this Code section shall be subject to a fine not less than \$25.00 and not greater than \$100.00, or imprisonment not to exceed 30 days, community service, or any combination of such penalties, at the discretion of the court having jurisdiction. Each day's absence from school in violation of this part after the child's school system notifies the parent, guardian, or other person who has control or charge of a child of five (5) unexcused days of absence for a child shall constitute a separate offense.

PARENTAL INVOLVEMENT

This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contact is extremely valuable; therefore, they provide information to parents as well as on-going opportunities for school personnel to hear parents' concerns and comments.

The Code of Conduct specifies within its standards of behavior various violations of the Code which may result in a school staff member's request that a parent or guardian come to the school for a conference. Parents are encouraged to visit the schools regularly and are expected to be actively involved in the behavior support processes designed to promote positive choices and behavior.

Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem, the principal shall notify by telephone call and by mail the student's parent or guardian of the disciplinary problem, invite the parent or guardian to observe the student in a classroom situation, and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan. Georgia law also states that before any chronic disciplinary problem student is permitted to return to school from a suspension or expulsion, the school shall request by telephone call and by mail at least one parent or guardian to schedule and attend a conference to devise a disciplinary and behavioral correction plan.

The law allows a local board of education to petition the juvenile court to require a parent to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend a conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference, order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior, or both. After notice and opportunity for hearing, the court may impose a fine, not to exceed \$500.00, on a parent or guardian who willfully disobeys an order of the court under this law.

Major discipline offenses including, but not limited to, drug and weapon offenses can lead to any state school being named as an Unsafe School according to the provisions of the State Board of Education Rule 160-4-16 Unsafe School Option.

GEORGIA CODE NOTICE

Georgia Code Section 20-2-735 now requires us to advise parents that they should inform their children on the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

PROGRESSIVE DISCIPLINE PROCEDURES

When it is necessary to impose discipline, school administrators and teachers will follow a **progressive discipline process**. A major consideration in the application of the code is that the disciplinary action taken by school officials be **the least extreme measure** that can resolve the discipline problem. Circumstances to be considered include, but are not limited to, the following factors: age, health, maturity, academic placement of the student, prior conduct, attitude, cooperation of the parents, willingness to make restitution, and the seriousness of the offense. Such factors may be taken into account in determining the punishment to be imposed, including any decision to impose a punishment that is more or less severe than suggested in this Code of Conduct. The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to teach students self-discipline and to help them replace inappropriate behaviors with those that are consistent with character traits from Georgia's Character Education Program.

The following disciplinary actions may be imposed for any violation of this Code of Conduct:

- Warning and/or counseling with a school administrator or counselor
- Loss of privileges
- Isolation or time-out
- Temporary removal from a class or activity
- Notification of parents
- Parent conference
- Corporal punishment
- Detention/Saturday school
- Temporary placement in an alternative education program
- Short-term suspension
- Referral to a tribunal for long-term suspension or expulsion
- Suspension or expulsion from the school bus
- Referral to law enforcement or juvenile court officials: Georgia law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The school will refer any act of misconduct to law enforcement officials when school officials determine such a referral to be necessary or appropriate.

Students may be suspended due to repeated violations of any rule. The **MAXIMUM** punishment for any offense is expulsion, but suspension for more than 10 days or expulsion will be determined only by a disciplinary tribunal as outlined in the Hall County Board of Education Policy JCEB.

When guilt is established and accepted by the student and parent, a negotiated waiver settlement may be considered based on the consequences the school administration would recommend to a tribunal. If the student, parent/guardian,

and a hearing officer appointed by the superintendent accept this agreement, a tribunal will not be held. A waiver agreement does not grant a student permission to enroll in the Alternative Learning Center (ALC) program. However, a student can be suspended with the option to apply for admission to ALC. The minimum stay at ALC is one semester.

A conference with the student must precede any immediate suspension from school. If immediate suspension is the action to be taken by school administrators, it must not exceed 10 school days. **Parents must be notified.** School officials may involve law enforcement officials when evidence surrounding a situation necessitates their involvement or when there is a legal requirement that an incident be reported.

School officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Personal property items, school lockers, desks and other school property are subject to inspection and search by school authorities at any time without further notice to students or parents. At the discretion of administrators, students are required to cooperate if asked to open book bags, lockers, etc. Metal detectors and drug or weapon-sniffing dogs may be utilized at school or at any school function, including activities which occur outside normal school hours or off the school campus.

STUDENT SUPPORT PROCESSES

The Hall County Board of Education provides a variety of resources which are available at every school within the district to help address student behavioral problems. The school discipline process will include appropriate consideration of support processes to help students resolve such problems. These resources include, but are not limited to, Student Support Teams, school counselors, and chronic disciplinary problem student plans.

TEACHER AUTHORITY ACT

It is the policy of the Board of Education that the Superintendent shall fully support the authority of principals and teachers to remove a student from the classroom pursuant to Georgia law as cited in O.C.G.A. 20-2-738 and 20-2-751.5(d).

A teacher shall have the authority, consistent with board policy, to manage his or her classroom, discipline students, and refer a student to the principal or designee to maintain discipline in the classroom. Any teacher who has knowledge that a student has exhibited behavior which substantially interferes with the teacher's ability to communicate effectively with his/her class or with the ability of each student's classmates to learn, shall file a report of such behavior with the principal or designee. The principal and teacher shall thereafter follow the procedures set forth in Georgia law, specifically O.C.G.A. 20-2-737 and 738.

- (A) Place the student into another appropriate classroom, in-school suspension, or an alternative education program;
- (B) Impose out-of-school suspension for not more than ten school days, including any time during which the student was subjected to out-of-school suspension after his or her removal from class pursuant to subsection (b) of this Code section;
- (C) Make another placement or disciplinary decision or recommendation consistent with local board policy; or

- (D) Implement or recommend any appropriate combination of the above and return student to the class from which he or she was removed upon the completion of any disciplinary or placement action taken pursuant to this paragraph.

BEHAVIOR THAT WILL RESULT IN DISCIPLINARY PROCEDURES

- **Possession, sale, use in any amount, distribution, or under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, unauthorized prescription drug or drug paraphernalia:** Immediate suspension pending a disciplinary tribunal, and immediate referral to law enforcement officials. Distribution, attempted sale or sale of these substances requires suspension for the remainder of the semester in which the incident occurred, plus expulsion for one full semester. Participation in the system's early intervention program for student and parent (SUPER 1) is required for first-time category one offenders to re-enroll in the regular school program; attendance does not reduce the number of days of suspension.
- **Possession, sale, attempted sale, use in any amount, distribution, or under the influence of an alcoholic beverage or other intoxicant:** First offense: Immediate suspension, system's early intervention program for student and parent (SUPER 1), possible referral to disciplinary tribunal and/or referral to law enforcement officials. The student and parent or guardian will be offered the opportunity to attend SUPER 1 in lieu of up to half the original suspension, not to exceed five (5) days. Second or subsequent offense: Mandatory referral to tribunal and/or referral to law enforcement officials.
- **Possession, sale, attempted sale, use, or distribution of over-the-counter drugs or of substances represented as drugs or alcohol:** Immediate suspension, system's early intervention program for student and parent (SUPER 1), possible referral to disciplinary tribunal and/or referral to law enforcement officials. First time offenders may be offered the opportunity to attend SUPER 1 in lieu of up to half the original suspension, not to exceed five (5) days.
- **Possession or use of a weapon or dangerous instrument:** Immediate suspension pending a disciplinary tribunal and immediate referral to law enforcement officials. Firearm infractions require a minimum one calendar year expulsion. (O.C.G.A. 16-11-127.1 - A fine of not more than \$10,000; imprisonment for not less than two or more than ten years, or both.)
- **Assault (physical or verbal), including threatened violence upon another student, a teacher, or another school official:** Immediate suspension, automatic referral to the disciplinary tribunal if a student is alleged to have committed an assault upon a teacher, other school official or employee; possible referral to law enforcement officials, and possible referral to the disciplinary tribunal if a student is alleged to have committed an assault upon another student.
- **Battery, including sexual battery, upon another student, a teacher, another school official or persons attending school-related functions:** Immediate suspension, automatic referral to the disciplinary tribunal if a student is alleged to have committed battery upon a teacher, other school official or employee, possible referral to law enforcement officials, and possible referral to the disciplinary tribunal if a student is alleged to have committed a battery upon another student.

- **Fighting:** Possible out of school suspension, possible referral to a disciplinary tribunal hearing, possible referral to law enforcement officials.
- **Disrespectful conduct, including the use of vulgar or profane language, toward teachers, administrators, other school personnel, other students, or persons attending school-related functions:** Possible removal from class, activity, or situation, conference with teacher, parents, and counselor, detention, in-school suspension, suspension, and/or referral to disciplinary tribunal.
- **Any behavior based on a student's race, national origin, religion, sex, or disability including verbal or non-verbal taunting, physical contact, unwelcome sexual advances, requests for sexual favors, and other verbal or physical contact of a sexual nature, or sexual harassment as defined pursuant to Title IX of the Educational Amendments of 1972:** Possible removal from class, activity, or situation, conference with teacher, parents, and counselor, detention, in-school suspension, suspension, and/or referral to disciplinary tribunal.
- **Inciting, advising or counseling of others to engage in prohibited acts:** Possible removal from class, activity, or situation, conference with teacher, parents, and counselor, detention, in-school suspension, suspension, and/or referral to disciplinary tribunal.
- **Classroom and school disturbances:** Possible removal from class, activity, or situation, conference with teacher, parents, and counselor, detention, in-school suspension, suspension, and/or referral to disciplinary tribunal.
- **Possession or use of tobacco in any form and tobacco use-related paraphernalia such as lighters, matches, and electronic cigarettes:** Detention, in-school suspension, Saturday School, out-of-school suspension, and/or parent conference.
- **Willful or malicious damage to real or personal property of the school or to personal property of any person legitimately at the school during school or off school hours:** Possible suspension, referral to disciplinary tribunal, possible referral to law enforcement officials, and/or possible restitution. (O.C.G.A. 20-2-753)
- **Marking, defacing, or destroying school property during school or off-school hours:** Possible suspension, possible referral to the disciplinary tribunal, and/or possible restitution.
- **Theft:** In-school or out-of-school suspension, restitution, and possible referral to law enforcement officials.
- **Extortion or attempted extortion:** Immediate suspension, possible referral to the disciplinary tribunal, and/or possible restitution.
- **Possession and/or use of fireworks:** Parent conference, possible suspension, and possible referral to the disciplinary tribunal and to law enforcement officials.
- **Activating a fire alarm under false pretenses or making a bomb threat:** Immediate suspension, possible referral to disciplinary tribunal and referral to law enforcement officials.
- **Insubordination, disorderly conduct, disobeying school rules, regulations, or directives, disobeying directives given by teachers, administrators, or other school staff:** Possible removal from class, activity, or

situation, conference with teacher, parents, and counselor, detention, in-school suspension, Saturday School, suspension, and/or referral to disciplinary tribunal.

- **Violation of school dress code:** Possible removal from class, activity, or situation, parent conference, detention, Saturday School, and/or in-school suspension.

- **Use of profane, vulgar, or obscene words, gestures, images, or indecent exposure, including possession or transmission of such words or images (such as 'sexting'):** Parent conference, confiscation, detention, in-school suspension, or suspension, possible referral to disciplinary tribunal, and/or possible referral to law enforcement officials.

- **Use of cell phones and other electronic devices in violation of the Hall County Schools Acceptable Use of Electronic Media for Students Agreement.:** Parent conference, detention, in-school suspension, confiscation, possible referral to law enforcement officials, and/or suspension.

- **Inappropriate public displays of affection:** Parent conference, detention, in-school suspension, and/or suspension.

- **Gambling or possession of gambling devices:** Parent conference, detention, in-school suspension, and/or suspension.

- **Moving and non-moving driving violations:** Short-term or long-term revocation of driving privileges, in-school suspension, and/or detention.

- **Giving false information to school officials:** Parent conference, detention, in-school suspension, and/or suspension.

- **Falsifying, misrepresenting, omitting or erroneously reporting information regarding instances of alleged inappropriate behavior by a teacher, administrator, or other school employee toward a student:** Parent conference, detention, in-school suspension, and/or possible referral to a disciplinary tribunal. Any student (or parent or friend of the student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator, or other school system employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.

- **Cheating on school assignments:** Zero grade for assignment, substitute assignment, detention, parent conference and/or in-school suspension.

- **Bullying:** Discipline for any act of bullying, including cyber bullying, as defined under the bullying definition in this document, shall be within the discretion of the principal which may range from a reprimand to out-of-school suspension. However, upon a tribunal finding that a student in grades 6-12 has committed the offense of bullying for the third time in a school year, the student shall at a minimum be assigned to the Alternative Learning Center.

- **Criminal law violations:** Any on or off campus behavior of a student which could result in the student being criminally charged with a felony and which makes the student's continued presence at the school a potential danger to persons or property at the school or which disrupts the educational process may be subject to disciplinary action, including in-school suspension, short-term suspension and referral to a disciplinary tribunal.

- **Willful and persistent violation of the Student Code of Conduct:** Student who chronically and/or habitually violate school rules or this Code of Conduct may be referred to the disciplinary tribunal, even if the offenses the student has committed do not include such a referral as a possible consequence.

- **Failure to comply with compulsory school attendance as required under Code Section 20-2-690.1:** Any student who is in violation of this Code section shall be subject to a referral to the court having jurisdiction. Each day's absence from school in violation of this part after the school system notifies the parent, guardian, or other person who has control or charge of a child of five (5) unexcused days of absence for a child shall constitute a separate offense.
- **Violation of the Acceptable Use of Electronic Media for Students Agreement for personal electronic devices, computer hardware, software, network and internet access, to include any unauthorized entry into a computer network secured site.** Revocation of privilege, parent/ guardian notification, detention, in-school suspension, and/or suspension, possible referral to the disciplinary tribunal and/ or law enforcement. Warning statement: The act of entering or attempting to enter a computer network secured site (hacking) is a very serious offense that may include permanent expulsion from the school system.

DEFINITION OF TERMS

ASSAULT: Any threat or attempt to physically harm another person or any act which reasonably places another person in fear of physical harm. (Example: threatening or abusive language)

BATTERY: Actual and intentional touching or striking of another person against his or her will or intentionally causing bodily harm to an individual.

BULLYING: The bullying of a student by another student is prohibited. Any act of bullying should be reported to the school principal or his or her designee. In accordance with Georgia law, "bullying" means an act which occurs on school property, on school vehicles, at designated bus stops, or at school related functions or activities, by use of data or software that is accessed through a computer, a computer system, computer network, or other electronic technology of a local school system that is:

- 1) Any willful attempt or threat to inflict injury on another person, when accompanied by an apparent present ability to do so; or
- 2) Any intentional display of force such as would give the victim reason to fear or expect immediate bodily harm; or
- 3) Any intentional written, verbal, or physical act which a reasonable person would perceive as being intended to threaten, harass, or intimidate, that;
 - a) Causes another person substantial physical harm within the meaning of Georgia Code Section 16-5-23.1 or visible bodily harm as such term is defined in Code Section 16-5-23.1;
 - b) Has the effect of substantially interfering with a student's education;
 - c) Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
 - d) Has the effect of substantially disrupting the orderly operation of the school.

CORPORAL PUNISHMENT: Physical punishment of a student by a school official in the presence of another school official.

DETENTION: A requirement that the student report to a specified school location and to a designated teacher or school official to make up work missed. Detention may require the student's attendance before school or after school. Students are given one day's warning so that parents or guardians can make arrangements for transportation.

DISCIPLINARY TRIBUNAL: School officials appointed by the Board of Education to sit as fact finder and judge with respect to student disciplinary matters.

DISORDERLY CONDUCT: Any act that substantially disrupts the orderly conduct of a school function, the learning environment, or poses a threat to the health, safety, and/or welfare of students, staff or others.

DRESS CODE: The current dress code is maintained in the principal's office and appears in student handbooks.

EXPULSION: Removal of a student from school beyond the end of the semester.

EXTORTION: Obtaining money or goods from another student by violence, threats, or misuse of authority.

FIGHTING: Mutual participation in a fight involving physical violence where there is no one main offender and no major injury – does not include verbal confrontations, tussles, or other minor confrontations.

FIREWORKS: The term "fireworks" means any combustible or explosive composition or any substance or combination of substances or article prepared for the purpose of producing a visible or audible (large or small) effect by combustion, explosion, deflagration, or detonation, as well as articles containing any explosive or flammable compound and tablets and other devices containing an explosive substance. (Also includes stink bombs/smoke bombs.)

GAMBLING: Engaging in a game or contest in which the outcome is dependent upon chance even though accompanied by some skill, and in which a participant stands to win or lose something of value.

HARASSMENT: Behavior based on a student's race, sex, religion or disability that is unwelcomed, unwanted, and/or uninvited by the recipient. It can be verbal, non-verbal, and/or physical and includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical contact of a sexual nature.

IN-SCHOOL SUSPENSION: Removal of a student from class(es) or regular school program and assignment of that student to an alternative program isolated from peers.

PHYSICAL VIOLENCE: Intentionally making physical contact of an insulting or provoking nature with the person of a school official; or intentionally making physical contact which causes physical harm to another unless such physical contacts or physical harms were in defense of himself or herself, as provided in GA Code Section 16-3-21.

SATURDAY SCHOOL: Principals may assign students in grades 7-12 to Saturday School for violations of the rules governing attire, tardiness, class cuts, leaving school without permission, cutting detention hall, tobacco and unexcused absences.

SUSPENSION: Removal of a student from the regular school program for a period not to exceed the end of the semester. During the period of suspension, the student is excluded from all school-sponsored activities including practices, as well as competitive events, and/or activities sponsored by the school or its employees.

SYSTEM'S EARLY INTERVENTION PROGRAM FOR STUDENT AND PARENT: This early intervention program is for youth ages 12-18 and their parents/guardians. For a category one offense the Substance Use Prevention

Education Resource (SUPER I) Program is a prerequisite for re-entry to the regular school program. For other indicated offenses, the SUPER I Program is voluntary, and the student and parent(s) or legal guardian(s) will be offered the opportunity to attend in lieu of up to half of the original suspension, not to exceed five (5) days. See your school counselor for more information about this program.

THEFT: The offense of taking or, if in lawful possession thereof, appropriating any property, of another with the intention of depriving that person of the property, regardless of the manner in which the property is taken or appropriated.

WAIVER: A waiver is a signed admission of guilt and acceptance of consequences in lieu of a formal disciplinary tribunal.

WEAPONS: The term weapon is defined in Georgia Code Section 16-11-127.1 and for the purpose of this policy includes any object which is or may be used to inflict bodily injury or to place another in fear for personal safety or well-being. The following things may be defined as dangerous weapons: any pistol, revolver, or any weapon designed or intended to propel a missile of any kind, or any dirk, any bat, club, or other bludgeon-type weapon, any stun gun or taser, bowie knife, switchblade knife, ballistic knife, any other knife, straight-edge razor or razor blade, spring stick, metal knucks, chains, blackjack, or any flailing instrument consisting of two or more rigid parts connected in such a way as to allow them to swing freely, which may be known as a nunchaku, or fighting chain, throwing star or oriental dart, or any weapon of like kind.

SCHOOL BUS GUIDE

A public school transportation program has but one purpose - to safely transport the students. Therefore, it is extremely important that each student be aware of his/her role and responsibility in seeing that the entire operation works smoothly and efficiently. Several areas in which students are asked to cooperate are:

SAFE RIDING - 10 SAFETY RULES

1. Arrive at bus stop 5 minutes before scheduled pick-up time.
2. Dress for the weather - umbrella and raincoat for rain; coat and gloves when cold.
3. Never stand or play in the road. Wait for the bus a safe distance from the road.
4. Always use the handrail when boarding or leaving the bus. Do not wear clothing or carry bags that have strings or straps that could get caught in the handrail.
5. Remain seated when the bus is moving. Students' seats are designed to protect students in the event of an accident.
6. Never try to reach anything under or beside the bus. If students drop something while crossing in front of the bus, do not return to pick it up. The bus driver cannot see students. After crossing safely, ask the driver for help.
7. Observe silence when approaching and while stopped for railroad crossings so the driver can hear if a train is coming.
8. Look carefully before crossing the road. Do not assume that a car will stop for students - wait to be sure it is stopped before crossing. Watch for driver's signal before crossing the road.
9. Always cross in front of the bus - never behind it!
10. Talk quietly. Do not "horseplay". The driver must give full attention to driving to ensure students' safety.

BUS STOP CONDUCT

- Students and parents are responsible for students' conduct at the bus stop, from home to the bus stop, and from the bus stop to students' home.
- If students must cross a street or road to get to the bus stop on the opposite side, wait until the bus arrives and cross in front of the bus only after the stop sign on the bus is activated and only when signaled by the bus driver.
- Be at the bus stop on time, but not too early. The bus driver is responsible for the maintenance of his schedule and cannot wait for tardy pupils. Each student should have books in hand and be ready to board the bus by the time the driver opens the door.
- Any student who leaves the school grounds while waiting for a bus to arrive will not be allowed to ride a bus home after returning to the school grounds. Individuals who leave the school grounds will be reported to the principal.

ENTERING AND LEAVING THE BUS

- A. Wait until the bus has come to a complete stop before attempting to board or leave the bus.
- B. Load starting at the rear of the bus, sitting three to a seat, unless otherwise directed by the driver.
- C. Enter and leave the bus in an orderly and quiet manner.
- D. Enter and leave the bus only at the front door, except in case of an emergency.
- E. After leaving the bus, if students must cross the highway, walk at least ten feet in front of the bus, then:
 - Make certain the bus is stationary, the door is still open and the stop signal is extended.
 - Upon signal from the driver, proceed across the roadway in the following manner: Walk (don't run) in front of the bus within sight and hearing of the driver, look both ways and stay out of the line of traffic until the path across the roadway is free of any danger.
 - The danger signal is a blast of the horn. Stop immediately and look at the bus driver.
- F. A student will not be put off a bus for misconduct at any place other than his home or school.

CONDUCT ON THE BUS

- A. Obey the bus driver.
- B. Do not disturb the bus driver while he/she is driving.
- C. Boys and girls will be seated separately.
- D. Stay in seat and do not change seats unless so directed by the driver - and then only if the bus is stopped.
- E. Sit down while the bus is in motion.
- F. Keep voices low. Avoid shouting or whistling.
- G. No bullying, "rough housing", pushing, fighting, throwing things, or profane or abusive language.
- H. Do not open or close windows of the bus without the driver's permission.
- I. Keep all body parts inside the bus.
- J. Keep the bus clean, sanitary, and orderly. Never tamper with the bus or any of its equipment. Willful damage or destruction of any part of the bus is prohibited and any such damage must be paid for by the student or parent.
- K. A student shall not operate the door nor stand in the driver's compartment.

PHYSICAL VIOLENCE PROHIBITED

Students shall be prohibited from acts of physical violence, bullying, physical assault or battery, verbal assault, and disrespectful conduct toward the driver or other persons on the school bus. Georgia law defines physical violence as (1)

intentionally making physical contact with another that is of an insulting or provoking nature, (2) intentionally making physical contact which causes physical harm to another. Georgia law also mandates that students found by a tribunal to have committed an act of physical violence against a teacher, bus driver, school official, or school employee involving intentional physical contact of an insulting or provoking nature shall be disciplined by expulsion, long-term suspension, or short-term suspension. If intentional physical violence against one of the above employees causes physical harm (unless in self-defense), the student shall be expelled from the public school system for the remainder of the student's eligibility to attend public school and referred to juvenile court. Students in kindergarten through grade eight who commit the above acts may, on the recommendation of the tribunal and at the discretion of the school system, be permitted to re-enroll in the regular public school program for grades nine through twelve.

THE FOLLOWING ARE RESTRICTED ON THE BUS:

- A. Eating is not permitted on the bus during the school day.
- B. **No glass container of any kind will be transported.**
- C. Beverages will not be permitted regardless of the type of container used. Exceptions may be made during particularly hot weather.
- D. The use of tobacco is forbidden.
- E. Gum is also forbidden.
- F. Students will be permitted to carry only books and other items related to school work which can be held in the student's lap. Large musical instruments, sports equipment, snakes, and live animals will not be transported. Band instruments may be transported if they can be held in the student's lap and if they do not take up seat space.
- G. Use of electronic devices, including but not limited to cell phones, pagers, audible radios, tape or compact disc players without headphones, or any other electronic device that might interfere with the school bus communications equipment or the school bus driver's safe operation of the bus are prohibited.
- H. Students are prohibited from using mirrors, lasers, cameras, or any other lights or reflective devices in a manner that might interfere with the school bus driver's safe operation of the school bus.

School bus transportation is a privilege afforded pupils by the Board of Education; it is not a right. The purpose of the policies herein is to help create a safe and wholesome atmosphere for the students who ride the bus.

SCHOOL BUS ELIGIBILITY POLICY

Students are eligible for transportation by school bus provided they live within the attendance area of the school they attend. Bus routes are established under the direction of the Superintendent and in accord with recommendations of the Division of Pupil Transportation, Georgia Department of Education.

Additions to existing routes are based upon the following guidelines:

1. The student must live at least 3/10 miles from the present bus route and,
2. The student must live on a state or county maintained road with adequate space for the bus to turn around and,
3. The road must be wide enough for the bus and another vehicle to pass.

Students are assigned to a particular bus route and can only change buses with the approval of the Principal and the Transportation Department. Students must get on and get off from their assigned bus at selected bus stops unless written permission is granted to let off at a stop other than the designated stop. This

request from the parent must be made in writing to the principal. Parents will assume the responsibility of the child when such a request is granted.

BOARD BUS DISCIPLINE POLICY

The transportation of students is an important function in our school system. Every precaution must be taken to see that students are transported safely. The same behavior is expected on the school bus as is expected in the classroom. The Code of Conduct and Discipline Procedures that apply for the school, also apply while students are being transported by any vehicle provided for the transportation of students. In addition, it is important that students abide by the bus discipline policies as outlined herein.

Fighting on the bus and abusive language or profanity toward the bus driver will result in a minimum of five days suspension from the bus. A student whose behavior warrants that the bus return to the school will be suspended from riding the bus for a minimum of twenty (20) days.

Bus Drivers will report specific disciplinary problems to the principal or assistant principal in writing on the Bus Conduct Report Form. If the driver is uncertain about who was unruly or who caused the disturbance, the driver will report the incident to the principal for investigation. After the principal administers the proper disciplinary action, a copy of the Bus Conduct Report Form will be forwarded to the parent, the bus driver, and the Transportation Supervisor that day or the following school day. This form will indicate the action taken by the principal. The principal will maintain a file of the Bus Conduct Report Form.

As required by Georgia law, a student found to have engaged in physical acts of violence* shall be subject to the penalties determined by a tribunal. If a student is found to have engaged in bullying or in physical assault or battery of another person on the school bus, a meeting involving the parent/guardian and appropriate school district officials shall be held to develop a school bus behavior contract. This contract shall provide for progressive age-appropriate discipline, penalties, and restrictions for student misconduct on the bus. Contract provisions may include but shall not be limited to assigned seating, ongoing parental involvement, and suspension from riding the bus.

It shall be the responsibility of all principals to abide by the following procedure for enforcing the bus conduct policy:

- First Offense: The principal shall take proper disciplinary action, which may include suspension from riding the bus, based on the nature or severity of the offense.
- Second Offense: The principal shall suspend the student from riding the bus for at least five (5) school days.
- Third Offense: The principal shall suspend the student from riding the bus for at least ten (10) school days.
- Fourth Offense: The principal shall suspend the student from riding the bus for at least twenty (20) school days.
- Fifth Offense: The principal shall suspend the student from riding the bus for sixty (60) school days.
- Sixth Offense: The principal shall suspend the student from riding the bus for one hundred eighty (180) school days.

Note: Students who are suspended from the bus are suspended from all buses. Unserved suspension will carry over to the next school year.

JOHNSON HIGH SCHOOL PROCEDURES

Absences

Students are allowed to make up missed assignments within 5 days upon returning to school after an absence. Pre-arranged absences may be excused in advance by the principal, depending on the circumstances.

Announcements

Students are responsible for knowing any changes that are made by way of announcement, etc., concerning any rules and regulations in this handbook.

Athletics

1. On game/practice days, students must be present one-half day to participate.
2. Students may not participate in athletic activities (including practice) without filing a completed physical examination form with the school Athletic Director.
3. Students and their parent/guardian must complete a Hall County Athletic Registration form prior to the participation in any athletic sports program at JHS. Proof of athletic insurance is required before participation.
4. You must meet GHSA requirements to compete in sports and activities.

Attendance/Tardies

Tardies to School: Students who arrive at school after the tardy bell (8:25) should report to the Attendance Office to check in. Failure to check-in will be treated as a class cut.

All tardies to school will be considered **UNEXCUSED** (exceptions are listed below).

Unexcused check-in/tardy:

- 1st WARNING
- 2nd ... Parent called by teacher
- 3rd Detention (Teacher/Admin)
- 4th Detention (Teacher/Admin)
- 5th 1 day In-School Suspension
- 6th 2 days In-School Suspension
- 7th Out of School Suspension
- Subsequent tardies.....OSS

Acceptable excuses for late check-in:

- Personal illness/injury
- Doctor/Dental appointment
- Subpoena to appear in court
- Authorized school activity
- Family emergency
- Conditions rendering school impossible or hazardous to one's health or safety
- Tardy pre-approved by principal

Tardies to Class: Students who are in the hall after the tardy bell has rung are tardy to class. Any student out of class without permission for more than ten (10) minutes will be considered cutting class and appropriate discipline will apply.

For attendance policy purposes:

- If a student arrives to class 25 or fewer minutes late, he is counted present.
 - If a student arrives to class more than 25 minutes late he is counted absent.
- Cutting class 1 Day ISS
 Cutting school 2 Days ISS
 Leaving campus alone without permission..... 2 Days ISS
 Leaving campus with another student without permission ... 3 Days ISS

Bell Schedule

8:25 – 9:15..... 1st PERIOD
9:20 – 10:10..... 2nd PERIOD
10:15 – 11:05..... 3rd PERIOD
11:10 – 12:50..... 4th PERIOD
 11:10 – 11:35..... A LUNCH
 11:35 – 12:00..... B LUNCH
 12:00 – 12:25..... C LUNCH
 12:25 – 12:50..... D LUNCH
12:55 – 1:45..... 5th PERIOD
1:50 – 2:40..... 6th PERIOD
2:45 – 3:35..... 7th PERIOD

Check Outs

At Johnson High School we believe that it is of vital importance that our students miss as little time from class as possible. Therefore, it is advisable that parents/legal guardian attempt to schedule appointments outside of school hours whenever possible. If, however, it is necessary for a student to leave school, the following procedure should be followed:

- **No student will be allowed to check out of school without a written request from a parent or legal guardian. (Exception: student illness) Verbal confirmation by office staff may be required for student check outs.**
- **On the morning of the day a student needs to check out, the student should bring a note from his/her parent or legal guardian stating the reason for checking out, giving a telephone number that a parent or legal guardian can be called during the day for verbal verification and take this note to the Attendance Office as soon as the student arrives at school.**
- Students returning from a medical/dental/or court appointed check out MUST present a written excuse from the designated office, or the absence from class will be counted as an unexcused absence.
- During the morning a phone call may be made to verify the permission/need.
- At a designated time, office personnel will clear you to leave campus.
- Photo identification is required to check out a student.
- Checking out for lunch is not allowed.
- Persistent check-outs of more than 15 minutes each from the same class will require a doctor's note or may be assigned as unexcused.

Excused reasons for checking out of school are the same as those for excused absences from school (see earlier section on "Attendance/Tardies"). Students will not be allowed to check out to obtain items not brought to school.

Arrival On Campus

- Students will be expected to remain on campus after arrival at school and to go immediately into the building. If a student arrives before 8:05 a.m., he/she will go directly to the lunchroom or other designated areas.
- Students must enter the building through the main entrance. Also, parents/guardians bringing students to school must drop them off at the main entrance.

Leaving Campus

- Those students on a work schedule are required to leave campus unless they have special permission from the principal or coordinator. Students must leave at the scheduled work time or report to the Career/Technology Office. Students on work program will be issued an early release form.
- Students must vacate the building by 4:00 p.m. unless under teacher supervision. After 4:00 p.m., Johnson HS will not be responsible for any student not under teacher supervision or waiting for rides.

Counselors

The JHS Student Services Department helps students and parents plan for the future by offering academic, post-secondary and career guidance. The JHS Student Services Department consists of two full-time counselors, a student services clerk, and a graduation coach. School counselors are available to discuss parent and student concerns regarding academic or personal issues before, during or after school. The Student Services Department is also responsible for arranging parent-teacher conferences and for processing all transcript requests.

Students may schedule appointments with a counselor by dropping by Student Services before or after school or between classes. Parents may schedule an appointment with a counselor by calling 770-536-2394, extension 1211, by emailing the counselors, or by contacting the Front Office.

Counselors are assigned to students based on grade level and last name:

- Carey Crawford: All students, last names A-L
- Sherrie Hales: All students, last names M-Z

Detention (Administrative)

Detention is a supervised study hall held on Tuesdays and Thursdays. It is held before school from 8:00 - 8:20a.m. Students serving detention are expected to bring materials with which to study or complete homework. Misbehavior in detention will result in automatic in-school suspension (ISS). An unexcused absence from detention will result in one day in in-school suspension. Administrative detention is held in Room 100 (ISS).

Teacher detention can be assigned at the teacher's discretion and is held in the teacher's classroom.

Dress Code

Our goal is to have an orderly atmosphere in our school and instill dignity and pride within our students. Students violating the dress code will not be allowed to go home to change clothes. The first dress code violation will result in the student reporting immediately to ISS for the remainder of the school day. The second violation could result in possible additional days of ISS or OSS.

In addition to the enforcing the Hall County School dress code found earlier in this handbook, JHS will not allow trench coats, face paint or clothing with metal dangling chains or objects. No shoes with wheels of any kind will be permitted. Jewelry or similar objects that are distracting, dangerous, and/or can be used as weapons, including dog chains, choker chains, and wallet chains are not permitted. Pierced jewelry, including facial piercings, considered distracting and/or dangerous to the health of our students is not permitted.

No holes or frays in jeans

Tattoos cannot be visible at any time

Pants must fit at the waist.

No undergarments should be visible.

Dresses/skirts/shorts must be no shorter than a \$1 bill length from the center of the knee cap.

Driver's License – Certificate of Attendance

Georgia Law requires a Certificate of Attendance for all persons 15 to 18 years old applying for a learner's permit or driver's license. Forms may be obtained daily in the counselor's office. The certificate expires after 30 days. There is a \$2.00 notary fee for all certificates. **Students with summer birthdays should pick up their Certificate of Attendance before the current school year ends.**

Driving and Student Parking Information

No student is allowed to park on school campus without a parking permit. Vehicles parked on campus illegally may be towed at OWNERS EXPENSE.

1. Use only the parking area reserved for student parking and park only in their paid parking spaces.
2. Observe a speed limit of 10 mph for all vehicles.
3. Avoid dragging, careless or reckless driving.
4. Do not ride on car fenders, hoods, trunks, etc.
5. Do not block fire lane at entrance of building.
6. Students may not move their vehicles during the school day.
7. When a bus is provided to LCCA, students must ride the bus.

Students who use their vehicles to leave school without checking out through the office, or transport another student who has not checked out through the school office, may be subject to having their permit revoked. It is strongly suggested that drivers arrive at school by 8:00 a.m. Any violation of the rules will result in parking privileges being revoked.

The school will not be responsible for loss of articles in cars. Students will not be allowed to return to the parking lot during the school day except with written permission from Administration. *A nominal fee will be charged for a parking permit.*

Electronic Equipment

Electronic Equipment including cell phones are ONLY allowed to be used during class changes and lunch. A parent/legal guardian will be asked to pick up all items collected due to rule violations. The school is NOT responsible for replacing or recovering cell phones, i-phones, i-pods, i-pads, laptops, etc.

Emergency Contact Forms

During the first week of school, students are asked to complete an Emergency Contact Form. Please be sure that this form is accurate and signed by a parent or guardian. In emergency situations, this information is a vital link in notifying parents/guardian if transporting students to a hospital becomes necessary.

Extra-Curricular Activities

In accordance with state laws, all club funds must be deposited with the principal's office and records kept which will be subject to audit each year. All clubs must plan for dues that will underwrite expenditures.

Gifts/Flowers/Balloons/Outside Purchased Food

The school will not receive or distribute gifts, flowers or balloons to students at school. Such personal items should be sent to students' homes. Students are not allowed to receive purchased restaurant food during normal school hours.

Hall Passes

Agenda books or color coded bathroom passes are the only permissible hall pass. In order to leave a class, students must have their agenda book signed by their teacher showing time, destination, and date. Students should not leave any class until released by the teacher, even when the bell rings. No student will be allowed in hallways before 8:05 AM without a signed agenda. Except for emergencies, students should not be in the hall the first or the last ten minutes of class.

Internet

Internet is available for students in the Media Center and Computer Labs under staff supervision. Parental/ legal guardian permission for internet use by a student is required by Hall County Schools. Parent/legal guardian permission forms can be found at the end of this handbook and parents are expected to read the internet policy and sign the agenda permission pages accordingly. By-passing the server will result in a discipline referral.

Lost and Found

Items found in and around the building will be taken to the Front Office and kept for a limited period. Items can be claimed before or after school. If students lose valuables, they should report the loss to the Front Office.

Media Center Regulations

The Media Center provides students with a variety of services related to their success and educational goals. The book collection is offered to provide support for curriculum needs as well as for pleasure reading. Computers in the Media Center are equipped with the Destiny catalog, selected internet sites, and many reference database services such as GALILEO, Questia, and NetTrekker, among others. Please see Media Center staff for database websites and passwords.

Students may visit the Media Center as members of their scheduled classes or as individuals or small groups from classes. Agenda books must have a teacher's signature when a student visits on his/her own. Students are expected to sign in at the circulation desk to inform media personnel of their visit, and this includes approved lunch period visits. Internet usage must conform to Hall County's Acceptable Use Policies, and students are expected to be knowledgeable of these rules. Internet sites must have educational merit, and no games are to be played on school computers.

Hours: The Media Center is open from 8:00 AM to 4:00 PM.

Circulation of Books: Books are checked out for 2 week periods and may be renewed as needed. Select reference books and magazines may also be checked out. Overdue fines of ten cents per day are charged. If books are lost or damaged, students are required to pay replacement costs.

Study Hall: The Media Center is open for a study hall in the mornings until first period begins. Students are expected to use this time for school related work and to respect the rights of other students for a quiet workplace environment.

Printing: Computer generated copies may be made at the cost of ten cents per page. Color copies are available at a charge of one dollar per page.

Personal Relationships

Personal relationships must be kept on a no-contact basis. Violation of this standard will be considered inappropriate behavior.

Personal/Professional Valuables

Students should keep money or valuables with them at all times. Better yet, such items should be left at home unless needed at school. Do not leave anything of value in unattended classrooms at any time.

The school is not responsible for money/valuables left in P.E. dressing rooms. Leave all valuables with P.E. instructor.

Physical Education Dress

All P.E. students are required to dress out and participate in class each day. Students should wear T-shirts, shorts or sweatpants, and tennis shoes.

Plagiarism

It is a violation of law to copy or duplicate computer programs, audio or video recordings, and printed materials without the express consent of the holder of their copyrights, unless the materials are in the public domain. Any student who violates the copyright laws shall be subject to discipline and/or prosecution.

Student ID Program

All students at Johnson High School will be issued a photo identification card on the first day of each school year. The identification card will include their photo, name, grade level, and student ID number. It must be worn on a lanyard at all times. The student ID and lanyard cannot be defaced or altered; nothing can obstruct the view of the ID. Students will be required to replace an ID that has been defaced in any way. Students can buy additional ID badges for \$7. The purpose of the ID program is to ensure a safe learning environment for our students. It also serves as a way to check in and out of school, check items out of the Media Center, and can be used in the cafeteria.

Visitors

- All visitors must report to the main office upon arrival at Johnson High School.
- A visitor may only attend classes at teachers'/administrators' discretion.
- The administration reserves the right to deny visitors permission to be on campus.

APPENDIX A – Extra Curricular Activities

Students wanting to participate in extra-curricular activities must meet the minimum requirements set forth by the State Board of Education and the Georgia High School Association. Students who have questions about participation in specific activities should contact the school sponsor, advisor, or counselor. *Parents who do not want their students to participate in one or more of the following clubs must indicate such on the “Parent/Legal Guardian and Student Signature Pages” found in Appendix C of the handbook.* (Note: Not all activities are available in all high schools; where present, school name and sponsor name are listed. Counselors can provide information about activities available in each high school.)

CLUB / ORGANIZATION

ACADEMIC TEAM – provides opportunities for students to interact with students outside of school in challenging academic settings. Activities include: team practices, local and state-wide competitions.

Sponsors:

- CHS – Sandra Rudd
- EHHS – TBA
- FBHS – Joan Grindle
- NHHS – Rebecca Hartfield
- WHHS – Joel Aquino and Mark Kelly

AEROSPACE CLUB – provides students with opportunities to investigate careers in the aerospace industry and to foster interest in aerospace operations. Activities include: seminars, field trips, simulations, and competitions.

Sponsors:

- WHHS – Joel Aquino, Brandon Miller

AMERICAN DESIGN DRAFTING STUDENT ASSOC. (ADDSA) – provides technical information for improving the science of graphic communications and design. Activities include: design competitions, guest speakers, environmental projects, leadership seminars, state conventions, “Youth in Education Day” at Atlanta Dragway, industry field trips, and fundraisers.

Sponsor:

- FBHS – David Roberson

AMERICAN RED CROSS – provides the premier environment for youth and young adults to learn, practice and exemplify humanitarian values. Activities include: community outreach.

Sponsor:

- FBHS – Kathy Peake

ANGLER CLUB – provides opportunities for students to share their interest in the environment and conservation. Activities include: participation in clean-up and conservation efforts at Lake Lanier and other surrounding bodies of water; charitable fund raising events; and classroom projects such as: aqua culture, fish farming, water/wetlands management.

Sponsor:

- NHHS – Ronny Turpin

ANIME CLUB – provides support for students to understand and share their love of Japanese animation and games. Activities include: viewing of various Anime videos and series, sharing of Manga (books of anime), and skill development in Yu gi oh and Majic.

Sponsor:

- JHS – Jean Prezel

ART CLUB – creates a visually pleasing environment by using the artwork of students. Activities include: displaying student artwork, painting murals and assisting other clubs with visual displays.

Sponsors:

- CHS – Veronica Martin
- EHHS – Michael Valley

BETA CLUB – promotes the ideals of character, achievement, service and leadership by providing opportunities and experiences that demonstrate these traits. Activities include: school and community service projects.

Sponsors:

- CHS – Jennifer Gibson
- EHHS – Nan Anderson and Brenda Kirt
- FBHS – Elizabeth Compton & Amy Hansen
- JHS – Mary Pinchen
- NHHS – Ann Kennedy
- WHHS – Beth Pittman and Jennifer Chittaro

BOOK CLUB – encourages students to read outside of, and in addition to, routine assignments. Participating students select novels from an approved list provided by the school sponsor. Selections range from classic to contemporary. While reading a selected book, participants will meet at scheduled intervals to discuss their insights and opinions. Activities include: class presentations, reading to elementary school students, collecting used books to be donated to schools and nursing/assisted living homes, fund-raising to buy books for needy students/families, and competing in reading bowls.

Sponsors:

- CHS – Jennifer Parker
- EHHS – Rebecca Hamby
- JHS – Julie Townley
- NHHS – Carol Hammond and Brenda Barger
- WHHS – Helen Dunn

CAREER AND TECHNICAL INSTRUCTION (CTI) – provides students opportunities to develop leadership skills by using their career-tech skills to help other people in the community. Activities include: school-wide literacy projects and RVI State Leadership Conference competitions.

Sponsors:

- CHS – Angela Shepheard
- EHHS – Adam Banks
- FBHS – Teresa Shubert
- JHS – Regina Sailors
- NHHS – Pat Zaudtke
- WHHS – Tracy Passmore and Eddie Suggs

CENTURION CLUB – provides opportunities for qualified members to participate in a wide range of community service initiatives. Activities include: school facility improvements, community-wide cleanup projects, support projects for nursing/assisted living homes, and assistance to elderly shut-ins. The Centurion Club is responsible for completing not less than 100 hours of community service per year.

Sponsors:

- NHHS – Beverly Buffington and Anita Cox

DEBATE TEAM – Learn the art of persuasion, increase academic performance and hone research skills through competition; hear the topic, take a position and provide rebuttals for opposing viewpoints; benefit from the opportunity for public speaking, building confidence for college presentations and career presentations.

Sponsor:

- JHS – Charity Wang
- NHHS – Steven Wang

DECA...An Association of Marketing Students – enhances the co-curricular education of students with interest in marketing, management and entrepreneurship. Activities include: seminars, meetings, conferences, fundraising projects, fieldtrips, competitions, and community service projects.

Sponsors:

- CHS – Meghan Hatcher and Holli Howard
- EHHS – Seth Hutchinson
- FBHS – Richard Darracott and Carol York
- LCCA – Rachael McClain and Shenley Rountree
- NHHS – Beth Pitts
- WHHS – Michael Negley

DRAMA CLUB – supports theatre education and performance in our community. Activities include: special community performances, improve troupe performances, trips to see professional plays and performances, and set/prop construction.

Sponsors:

- CHS – Jeff Kelly
- EHHS – Whitney Rylee
- FBHS – Mallory Nonnemaker
- JHS – Gail Jones
- NHHS – Jan Ewing

ENVIRONMENTAL CLUB – instills in young people's mind the value of taking care of the environment. Activities include: furnishing recycle boxes for school wide paper and bottle recycling, monthly collection of recyclables, and area clean-up days within the community.

Sponsors:

- CHS – Nick Scheman and Lisa Taylor
- EHHS – Adam Banks and Jill Calvert
- FBHS – Kim Grennan
- NHHS – Cynthia Greer

EQUESTRIAN CLUB – provides opportunities for students to develop an understanding and appreciation of equestrian sports through organized competitions and equine educational opportunities. Students will learn Equitation, horsemanship, athleticism, safety and will participate in Hunter/Jumper training. Activities include: club meetings, weekly riding instructions in the disciplines of Hunters and Equitation, IEA competitions, and will participate in barn responsibilities.

Sponsor:

- FBHS – Patrice Pennington and Gabrielle Durden

4 for 4 CLUB – provides recognition for all students who pass all four content areas of the Georgia High School Graduation Test as first-time test takers. Activities: members are tutors in the PASS (Peer Assisted Student Success) program that helps prepare other students for the GHS GT.

Sponsor:

- NHHS – Jennifer Rudeseal

FAMILY, CAREER AND COMMUNITY LEADERS OF AMERICA (FCCLA) – promotes personal growth, leadership through Family and Consumer Science classes and community volunteerism. Activities include: visiting homeless shelters, handicapped children's programs, raising awareness of domestic violence, sharing teen pregnancy education, and serving Gainesville's community oriented organizations.

Sponsors:

- EHHS – Stacey Crain
- FBHS – Jennifer Wood
- JHS – Mary McGovern
- LCCA – Terry Haymand
- NHHS – Laura Morrison

FELLOWSHIP OF CHRISTIAN ATHLETES (FCA) – Christian organization dedicated to character development, fellowship and service. Activities include: meetings, conferences and community service projects.

Sponsors:

- CHS – Blake Anderson
- EHHS – Chad Buffington
- FBHS – Stefanie Gibbs
- JHS – Deb Eidson
- NHHS – Dave Bishop
- WHHS – Tracy Passmore

FELLOWSHIP OF CHRISTIAN STUDENTS – Christian organization dedicated to character development, fellowship and service. Activities include: meetings, conferences and community service projects.

Sponsors:

- LCA/LCCA – Terry Haymond & Shenley Rountree

FENCING CLUB – provides opportunities for students to learn the sport of fencing, to promote good sportsmanship and athleticism, and to promote health and fitness. Activities include: club meetings, club practices, and fencing tournaments.

Sponsor:

- FBHS – Phyllis Pizzino

FOCUS – provides support for students from various nationalities who want to develop friendships and learn about each other's cultures. Activities include service projects and meetings.

Sponsors:

- WHHS – Dr. Belinda Sauret

FOREIGN LANGUAGE CLUB – provides multi-cultural experiences to those who are studying a foreign language. Activities include: multicultural suppers, museum visits, guest speakers, and participation in Foreign Language Day at NGCSU and participation in International Day.

Sponsors:

- CHS – Ruth Matthews and Wes Vonier
- FBHS – Gabrielle Durden-Coffee
- WHHS – TBA

FUTURE BUSINESS LEADERS OF AMERICA (FBLA) – brings business and education together in a positive working relationship through innovative

leadership and career development programs. Activities include: leadership training, business-related competitive events, workshops, and service projects.

Sponsors:

- CHS – Kyle Counts, Mark Gable, and Blake Anderson
- EHHS – Matt Turner
- FBHS – Wanda O'Kelley
- JHS – Cree Aiken
- NHHS – Karen Filchak
- WHHS – Lindsay Rock
