Dear Parents at Mount Vernon Elementary:

This letter is to inform you of the generosity of the North Hall Community Education Foundation. The Foundation is organized as a non-profit corporation. Their mission is to provide ongoing financial support for the North Hall Schools in order to maintain and improve the educational quality afforded its students.

The Foundation has been so generous to our school. They realize that the schools in our community do not receive enough funds to improve the school in comparison to other schools that receive federal funding based upon poverty levels. Last year, we received \$5,000.00 to purchase "leveled readers" for each grade and Math Exemplars. This year, with another \$5,000.00 donation, we will be able to purchase a Promethean Interactive Whiteboard to be installed in our media center. This will give each classroom, each teacher, and every student opportunities to utilize advanced technology in our instruction and learning.

Each student at Mount Vernon is receiving a Foundation decal. We encourage our families to display this decal on one of your vehicles. This will show our appreciation and support to the Foundation. The contact information for the Foundation:

NHCEF
1730 Thompson Bridge Road
Gainesville, GA 30501

As we continue to prepare our students for middle school, high school, college, and their future career choices in the 21st century, the contributions made by the North Hall Community Education Foundation are greatly appreciated by the faculty and students of Mount Vernon Elementary!

Sincerely,

Mrs. Connie Daniels
Principal
