## IB Student and Parent Agreement

- I understand that IB Courses are yearlong classes. The final grade and credit are not determined until the end of the school year, so drops at the end of first semester are not allowed. Students will earn a full credit at the end of the year.
- I understand that IB students will take all IB exams. The county will pay for these exams.
- I understand that IB students will complete and reflect on CAS hours and that they must keep accurate and complete records of their CAS involvement. Students will meet monthly with CAS Coordinator Mrs. Woodham to share their progress. Students must earn CAS credits in order to be eligible to earn an IB Diploma. We encourage students to pursue independent and creative CAS activities; however, a parent or adult should be present and these are not considered school-sponsored events.
- I understand that the Extended Essay is a required component of the IB Programme where students have the opportunity for reflective and evaluative research. Students must meet the EE deadlines and will earn a TOK grade for this. Students will meet with EE Coordinator Mrs. Dunn to check on their progress and will also meet with a teacher-mentor for support; we will be discussing these and offering help during advisement times.
- I understand that the TOK course will be taught over a 2-year period. Students will earn a half-credit for their junior year and another half-credit for their senior year.
- I understand that the highest standards of integrity govern all IB coursework. Any cheating or plagiarism is grounds for being expelled from the IB Programme.

I give my support for my child to pursue his or her interest in the West Hall High School International Baccalaureate Programme. I understand that I will receive more information in the spring about my child’s schedule and that I can also discuss my child’s participation with the coordinator Laurie Ecke or a counselor before my child actually begins the program in the fall of 2008.

Please contact Laurie Ecke for more information at any time: [Laurie.ecke@hallco.org](mailto:Laurie.ecke@hallco.org) or 770-967-9826, ext. 439.
