

## **Exhibit C – Accountability Component of Contract**

### **For the Hall County School District**

**The State Board shall hold the Hall County School District accountable for the performance of the academic goal listed below.**

**Goal 1: Each Hall County School District school will demonstrate proficiency and/or improvement on the CCRPI.**

Measure 1: School performance goals will be set so that for each year during the five-year contract, an individual school shall increase its CCRPI score (without Challenge Points) by 3% of the gap between the baseline year CCRPI score (without Challenge Points) and 100. Baseline year is 2015-2016.

OR

Measure 2: For each year during the five-year contract, an individual school with an initial CCRPI score (without Challenge Points), performing in the top quartile of the state within each grade cluster shall remain at or above the top quartile threshold established in the baseline year. Baseline year is 2015-2016.

OR

Measure 3: If a school fails to meet its CCRPI target score, the school will be deemed as meeting its yearly performance target if the school is determined to be “beating the odds” through an analysis that compares the school’s CCRPI to its expected performance as determined by the “beating the odds” model developed in partnership between GOSA and the GaDOE.
