1. The student must provide Hall County Schools a complete packet of the following documents:
 - ____ **Official transcript** (report card and standardized test scores) from current school
 - ____ **Official and complete discipline records** from student's current and former school(s) – if the student has no history of discipline, then please submit a letter from the school stating that the student is in good standing.
 - ____ **Official attendance records** from student's current/former school(s)
 - ____ If a student is entering kindergarten, please include a letter of recommendation from a current preschool teacher or any other preschool records.
2. For an application to be considered, student transcript should show, at a minimum, satisfactory behavior and attendance, and average/above-average grades with no history of failing courses. The Out-of-District Committee acceptance decision is final.
3. No student will be admitted or continue enrollment who has had out-of-school suspensions, tribunals, arrests, or a criminal record.
4. In order for a student to continue enrollment, the program services already in place at the school in which student is enrolled must be sufficient to meet a student's educational needs. Hall County Schools must be able to accommodate the applicant without placing undue financial burden on the school system or overcrowding classrooms.
5. Hall County Schools does not provide transportation for tuition students. Parents or guardians are responsible for the student's transportation to and from school.
6. The prompt payment of tuition is a condition of enrollment.
7. Approval for one child to enroll out-of-district is not applicable to other children in the same family.
8. In order for out-of-district enrollment to continue, parents are expected to maintain a collegial relationship with school staff and to support school policies and procedures.
9. Enrollment as an out-of-district student is a privilege that may be revoked and the student dismissed or expelled in accordance with Hall County Schools' policies or if the above criteria are not maintained.
10. The Superintendent has the right to refuse admittance or revoke enrollment of any applicant.
11. When moving to another school in the district, students will be evaluated with the above criteria for continued enrollment. If approval for enrollment is granted, students may have to attend a different school than requested based on available space. Principals will have final approval about school transfers.

GHSA: As governed by the Georgia High School Association (GHSA) By-Laws, a student who has not yet established eligibility at a member high school will be eligible to play in varsity competition for the first year of enrollment. If an out-of-district student transfers to a Hall County School after having established eligibility by enrolling in another GHSA member school, then he/she will not be eligible to play in varsity competition for a full year. Unless there is a bona fide move, if after having established eligibility, a student then transfers to a different school, then he/she will not be eligible to play in varsity competition for a full year from the date of transfer. Please see the GHSA guidelines for further information.

I, the parent or guardian responsible for the above-named student, have read and understand the above criteria and the HCSD Tuition and Fees for Out-of-District Students. I have read, understood, and will support the information above. I swear/affirm under penalty of law, that the information given on this form is correct, that the above address is the primary residence where my child and I live, and that I will notify the school of any change in residency status within 5 days of the change.
