WEEDED ITEMS

305

monthly circulation

Total Yearly Circulations: 24,268

FUNDING

Excluding the generous funding the county provides for purchasing equipment, print media and eBooks, our media program is primarily funded through bi-annual book fairs. With Title One funds we added professional learning resources. And our PTO generously bought us twelve Chromebooks so we can fulfill our vision to have one-on-one devices in third, fourth and fifth grades next year.
