

# Academies of Discovery at South Hall Learning Commons

## New This Year

- **Maker Space Stations:** Coding, Virtual Reality, Coming soon: 3D Design and Printing
- **New Technology:** 128 Chromebooks, 9 Student Creation Laptops, 12 Smart Phones, Epson Smart Projectors for every classroom
- **New Space--**The SHMS Media Center closed in early March in preparation of the move to Academies of Discovery campus. We boxed up our entire media center and moved to the AOD campus. After Spring Break, we began the overwhelming task of combining the SHMS and AOD collections in our new Learning Commons.
- **Genrefication--**Started to genrefy by grouping our non-fiction books into genres.
