CIRCULATION STATS

BANNED BOOKS WEEK

We hid paperback titles that were featured during Banned Books Week throughout the school for students to find and keep! We posted clues on Twitter and students posed with our display for a picture!

BREAKOUT EDU

One of the most popular lessons in the Learning Commons this year were Breakout EDU games! We are looking forward to completing new games next year.

GATSBY TURNS ONE!

Our favorite fish turned one this year! He is still thriving in his environment and loves when students come to visit.
