

1st Place Winners for Hall County Regional Tech Competition

Congratulations to our 1st place winners from the Hall County Regional Tech Competition. These students will now compete on the State level of competition. The Georgia Student Technology State Competition (GASTC) will be held at the Macon Campus of Middle Georgia State University in Macon, GA on March 9, 2019.

GASTC is a statewide technology competition where students in grades 3-12 compete in a variety of technology categories. The main goal of the competition is to challenge students to become leaders in a digital age. GASTC is an annual student technology competition produced by the Georgia Educational Technology Consortium. Over 1,000 students participate on the state level; more than 8,000 students on the regional level.
