# Dual Enrollment Student Profile

**Successful dual enrollment students are willing to....**

- Dedicate themselves to studying
- Prioritize their collegiate work
- Turn in assignments on time (on time is late and early is on time)
- Ask for help
- Be committed
- Be present minded

**The willingness to learn new concepts and new ideas is what determines success!**

# Why Dual Enrollment?

- 30 hours of Free Tuition/Books/Select Fees for eligible courses
- Ability to participate in both high school and college events & activities (excluding sororities/fraternities and collegiate athletics)
- Use of college facilities and services
- One high school class = two high school periods
- Eases the transition from high school to college by encouraging students to seek resources for assistance and develop collegiate-level study habits
- Dual Enrollment General Education coursework transfers between all USG and TCSG institutions

# Dual Enrollment Considerations

- **Important Regulations:**

- Students lose funding eligibility after two course withdrawals
- Dual Enrollment funding will not cover course re-takes
- Main campus students must follow the college schedule/calendar and provide their own transportation to and from the college

# Why Dual Enrollment at LCCA & IEC?

- Support, Support, Support - that all college freshmen need for increased success
- Smaller classrooms with more one-on-one support as needed
- Use of laptop and class related materials
- Transportation provided to/from home high school to/from IEC and LCCA
- College courses follow Hall Co School District's calendar ONLY at IEC and LCCA
- Breakfast & Lunch available
- Ability to attend multiple colleges within the same building (IEC)
- State of the art certificate labs

**Caring staff dedicated to student success!**

# Lanier Tech

## Is Dual Enrollment the Right Fit?

### Dual Enrollment students...

Conduct themselves  
in an orderly &  
cooperative manner

are organized,  
attend all scheduled  
classes & are  
deadline driven

are prepared  
for the rigor of  
college courses

maintain a 2.00  
GPA and a 67%  
completion rate

### Dual Enrollment students understand...

they should first speak  
with their high school  
counselor, parent or  
support system.

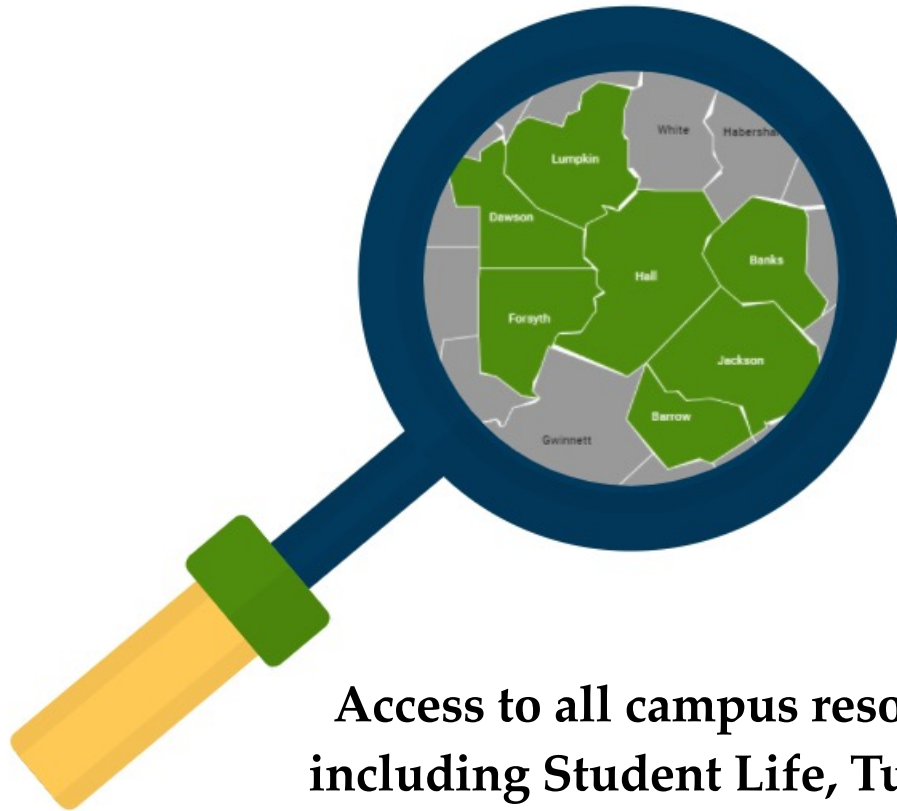

they may  
participate in high  
school sanctioned  
extracurricular  
activities

college and high  
school breaks do  
not always  
coincide

grades earned  
become part of the  
permanent college  
and high school  
transcripts

# Admissions Criteria

## COVID-19 2021 Dual Enrollment Admissions Changes

Due to canceled SAT/ACT dates, the University System of Georgia has made the decision to allow USG institutions to grant admission to Dual Enrollment students based on alternative admissions standards, including the use of the PSAT to determine admissibility.

Based on this new guidance, UNG has adopted the following admission requirements for Dual Enrollment students seeking admission for the 2021 semesters:

- GPA remains at 3.25 as calculated on completed RHSC.
- If SAT or ACT scores are available, utilize scores as usual to determine admissibility.

### PSAT

If SAT or ACT scores are not available or applicant does not meet minimum test score requirements, students may use PSAT scores for admission. PSAT scores must come directly from the high school guidance counselor and can be sent to [psat@ung.edu](mailto:psat@ung.edu). PSAT test scores for admissibility:

#### PSAT Scores

- 490 EBRW
- 440 Math
- 960 Combined

### Accuplacer

If no PSAT available or does not meet minimum scores, Accuplacer may be completed with following scores earned:

#### Accuplacer Scores

- 243 Reading
- 4 Writeplacer
- 266 Math

Students taking Accuplacer for consideration of admission for Dual Enrollment will be allowed to retest one time.

### PreACT

PreACT scores can also be used for dual enrollment admission. These scores can be sent either directly from the ACT site or from the student's high school counselor.

#### PreACT Scores

- 20 English or Reading
- 18 Math
- 20 Composite

- 3.25 RHSC GPA
- Minimum test scores

# Benefits of Dual Enrollment

- ✓ Does not count against 127 HOPE or Zell Miller credit hours cap
- ✓ Tuition covered up to 15 hours per semester (for a maximum of 30 hours throughout the program)
- ✓ Get a jump start on college
- ✓ Immersed in college life, while still having opportunity to enjoy high school activities
- ✓ Courses apply to high school and college credit
- ✓ Online classes available

# Dual Enrollment Application Checklist

- Speak with your counselor
- UNG application for admission
  - Official Transcript
  - Official Test Scores
- Verification of lawful presence
- GA Futures Dual Enrollment Funding Application

(completed by student, parent, and counselor)

***\*UNG only accepts rising juniors and seniors\****

**UNG** | UNIVERSITY of  
NORTH GEORGIA™

# UNG Course Modalities

## F - FULLY AT A DISTANCE

All or nearly all of the class sessions are delivered via technology. The course does not require students to travel to a classroom for instruction; however, it might require students to travel to a site to attend an orientation or to take exams.

## F2F - FACE TO FACE

All of the class sessions are conducted in person in a classroom or lab. There may be online components of the class, but these are to supplement the in class instruction.

## H1 - HYBRID: 25-50% F2F

Technology is used to deliver 50-75 percent of class sessions. Segments of the class attend the classroom on a regular rotation based on classroom capacity with social distancing. **Students will be notified by their professor of their attendance requirements prior to the first day of class.**

# Application Deadlines

Submit application and **all supporting documents** by:

- Summer Semester: April 15<sup>th</sup>
- Fall Semester May 15<sup>th</sup>
- Spring Semester: November 1<sup>st</sup>
