

Dual Enrollment

2021 - 2022

What is Dual Enrollment?

Dual Enrollment is a unique program that allows high school sophomores, juniors, or seniors to earn college credit toward a postsecondary certificate, diploma, or degree while simultaneously earning credit toward their high school diploma.

Hall County Dual Enrollment Campus Options

Main Campus

Hall County Satellite Campuses

Satellite campus of Lanier Tech, Brenau, & UNG
(academic and certificate courses)

Satellite campus of Lanier Tech
(certificate courses only)

CHARACTER COMPETENCY RIGOR FOR ALL

Dual Enrollment Student Profile

Successful Dual Enrollment students are willing to....

- Dedicate themselves to studying
- Prioritize their collegiate work
- Turn in assignments on time
 - (on time is late and early is on time)
- Ask for help
- Be committed
- Be present minded

The willingness to learn new concepts and new ideas is what determines success!

Why Dual Enrollment?

- **30** hours of Free Tuition/Books/Select Fees for eligible courses (does not count toward HOPE hours)
- Ability to participate in high school activities, use of college facilities and services and participate in college events(excluding playing NCAA sports)
- Eases the transition from high school to college by encouraging students to seek resources for assistance and develop collegiate-level study habits
- CORE Dual Enrollment General Education coursework transfers between all USG and TCSG institutions (all CORE on 5.0 scale)
- One DE Class Per Semester = Two High School Periods & Year Long Credit

**According to the national data:
(NACEP, 2021)**

34% of US high school students
complete dual enrollment courses

These students are also more likely to:
Graduate high school
Go to college
Stay in college
Complete a degree

Dual Enrollment Considerations

- **Important Regulations:**

- Students lose funding eligibility after two course withdrawals
- Dual Enrollment funding will not cover course re-takes
- Main campus students must follow the college schedule/calendar and provide their own transportation to and from the college

Why Dual Enrollment at LCCA & IEC?

- Support, Support, Support - all college freshmen need support for increased success
- Smaller classrooms
- Use of laptop and class related materials
- Transportation provided to/from home high school to/from IEC and LCCA
- College courses follow Hall Co School District's calendar
 - (ONLY at IEC and LCCA)
- Breakfast & Lunch available
- Ability to attend multiple colleges within the same building (IEC)
- State of the art certificate labs

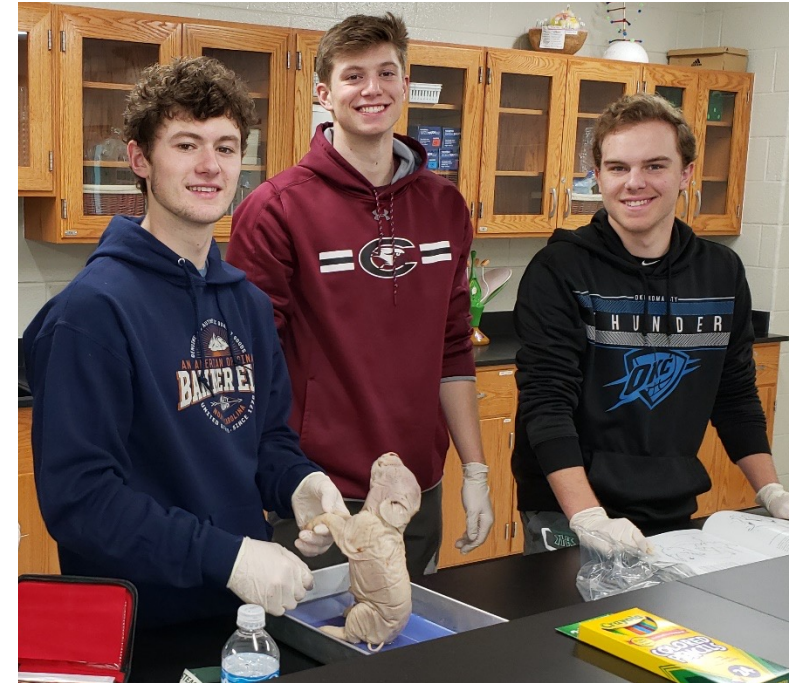

Caring staff dedicated to student success!

Lanier Technical College Certificates

- Allows for the participation of 10th grade students in dual enrollment
- Provides the opportunity for career exploration while earning Honors CTAE credits towards high school graduation
- Prepares students for high-demand, high-paying careers upon completion
- Can be built upon to complete diploma and degree programs
- Hands-on learning environment for students who enjoy learning by doing in a small classroom environment
- 100% job placement rate for Lanier Tech program completers

Who should consider earning a Technical Certificate?

EVERYONE!

Students who:

- Plan to enter the workforce upon graduating from high school
- Plan to attend technical college upon graduating from high school and want to get a head start
- Will need to earn a livable wage while in college completing their 4-year degree program
- Are interested in career exploration
- Have entrepreneurial interests

TCCs can fit into your future career goals, no matter what they are!

Dual Enrollment Certificate Options

Criminal Justice

Criminal Justice careers are **exciting, rewarding** and always **in demand** with job prospects growing faster than average!

This certificate prepares students for Criminal Justice professions in:

- Corrections
- Security
- Investigation
- Police administration

Culinary Programs

Prep Cook

Learning topics include:

- Principles of cooking
- Menu design & development
- Safety & sanitation

Baking Principles Course

Culinary Nutrition/Menu Development Course

Dual Enrollment Certificate Options

Design & Media Production

Prepares students for employment in a variety of media production industries utilizing industry standard software, such as Illustrator and Photoshop.

Learn about marketing and design concepts for

- Web Design
- Animation
- Print layout

Early Childhood Care & Education

Prepares students for employment in early care and education settings, including:

- Child care centers
- Head Start
- Georgia Pre-K programs

This certificate meets the Bright from the Start/Day Care licensing teaching credential requirement and counts towards Early Childhood degree credit at Piedmont College.

Dual Enrollment Certificate Options

Esthetician

Prepares students for employment in

- Salons
- Spas
- Medical offices

\$68 billion industry with **projected job growth of 11%** - much higher than average for all occupations.

Completion of this program prepares students to sit for the **Esthetics licensure examination** given by the Georgia State Board of Cosmetology.

Shampoo Tech

Prepares students for entry level position in Salon settings. Duties include:

- Assisting stylist
- Shampooing clients
- Reception duties
- Prepping clients for services

Upon completion of this program, you will receive a certificate and all classes are transferrable to our Master Cosmetology Program and our Hair Designer Program.

Dual Enrollment Certificate Options

Firefighter I/Pre-EMS

Prepares students for the firefighter certification test through a two-year certificate cohort model.

Upon passing the certification test, students are ready to be **hired at a fire station** right out of high school!

*Open to juniors and seniors only!

Health Information Technology Specialist

Prepares students for the Healthcare Information Management Technology Degree program by introducing them to the career of health informatics.

Growing career area!

Dual Enrollment Certificate Options

Industrial Electrician

Instruction includes:

- Use skills developed to land opportunities in high-demand fields such as advanced manufacturing, automation and product development
- Credits can be applied towards a diploma or degree in Mechatronics or Industrial Systems Technology at Lanier Tech.

Finish your associates and earn on average \$45,000 a year!

Welding

Basic Shielded and Gas Metal Arc Welder

Prepares students for careers in a variety of welding industries, including:

- Manufacturing
- Construction
- Aerospace
- Motorsports
- Pipeline construction

High demand career area!!

Dual Enrollment Certificate Options

Nurse Aide (CNA)

Certified Nursing Assistants (CNAs) play a vital role in health care delivery under the supervision of Nursing staff. They have a great deal of patient contact and perform essential tasks such as measuring vital signs, assisting with nutrition, and caring for patient's bathing, dressing, grooming and movement needs.

- Program prepares students for employment after **only one semester** and passing the state competency evaluation.
- Provides students with classroom, lab, and clinical experiences. High demand for employment.
- Gain invaluable hands-on experience and possible admission points for LPN/ RN programs.
- Graduates can be hired as Certified Nursing Assistants/Aides, Patient Care Technicians or Home Health Aides.

*Space is limited and this program is open to Juniors and Seniors only!

Dual Enrollment Certificate Options

Medical Administrative Assistant Certificate

Medical administrative assistants are in high demand due to their ability to work in a variety of locations such as hospitals, clinics, and other ambulatory healthcare settings. Common job titles might include, unit secretary, medical office assistant, patient coordinator or admissions coordinator. Knowledge of medical terminology, anatomy, computer applications, along with excellent communication skills makes this a unique role in that it combines both direct and indirect patient care duties. It requires a strong balance of administrative skills and interpersonal abilities.

The certificate is a part of the Medical Assisting Diploma and Degree at Lanier Technical College.

Ivester Healthcare Scholars POC

2 Year Cohort

Program Components:

- Cohort will consist of 2 DE blocks each (four periods at the high school) beginning junior year of high school.
- Students will take classes to gain their CNA certificate, 4th math credit, Psychology 1101, and other core classes.
- They will continue their cohort learning in advanced science curriculum.

- Healthcare fieldtrips
- Internships/mentor opportunities
- Guest speakers
- Labs/field trips
- Shadowing
- Service opportunities
- CNA certificate completion

*Space is limited and this program is open to rising Juniors only!

Dual Enrollment Certificate Options

See Lanier Technical College website for additional certificate options available on the main campus.

The background of the lower half of the image is a photograph of a university campus. It shows a wide, paved path leading towards a large, multi-story building with a dark roof and many windows. The building is slightly out of focus. In the foreground, there are green lawns and some trees. The sky is blue with some white clouds. The overall scene is bright and sunny.

Dual Enrollment

Eligibility Requirements

- At least 16 years old
- High school juniors or seniors
- A minimum cumulative GPA of 3.0

Application Steps

1

Complete the Brenau **dual enrollment application form**

☐ go to
<https://campus.brenau.edu/web.php?web=DUAL.ENROLL.INIT>

☐ scroll down to
dual enrollment

☐ click on **dual enrollment application** to access the application

2

Complete the dual enrollment student participation agreement.

3

Submit **official High School transcript** directly to Crystal Strickland, Dual Enrollment Advisor, at cball@brenau.edu.

4

Complete the dual enrollment registration form

In lieu of registration form submission, Brenau is now accepting an email from high school counselors requesting specific courses. Send an email to Crystal Strickland, Dual Enrollment Advisor, at cball@brenau.edu with specific course information.

Dual Enrollment to Undergraduate Freshman

Are you interested in attending Brenau as an Undergraduate student after graduation?

Contact **Hudson Tanner** at hmitchell2@brenau.edu

We are accepting applications for Fall 2022.

Go through the easy application process and get a quick decision.

- ☐ Apply free at brenau.edu/apply
- ☐ Select **Freshman application** and complete it
- ☒ Request any official transcripts from your high school and/or other colleges through which you have dual enrolled

Brenau is test optional. Test scores are not required for acceptance.

Contact Information

For all admissions, registration and general dual enrollment questions, contact Crystal Strickland, Dual Enrollment Advisor, at cball@brenau.edu.

For more information regarding attending Brenau as a freshman after high school graduation, contact Senior Admissions Counselor, Hudson Tanner, at hmittchell2@brenau.edu
