GEORGIA VISION PROJECT FOR PUBLIC EDUCATION

The following nineteen recommendations of the Georgia Vision Project for Public Education will be implemented in the Hall County School System:

| | |
|---|--|
| 2.0 General | 2.1 Promote public education as the cornerstone of American democracy by publicizing student and school successes through all available media. |
| 4.0 Teaching and Learning | 4.1 In order to provide an environment where students learn best, ensure that teachers work and plan together, learn and share effective teaching practices, and are provided support for their on-going learning. |
| | 4.2 In order to provide an environment where students learn best, ensure that teachers use a variety of technologies to teach and measure what students know and can do. |
| | 4.3 In order to provide an environment where students learn best, ensure that teachers teach challenging and problem-solving lessons that are flexible enough to meet the interests and needs of individual students. |
| | 4.4 In order to provide an environment where students learn best, ensure that teachers use varied measures to determine what students know and can do. |
| 5.0 Teaching and Learning Resources | 5.1 Evaluate and utilize the most effective instructional models and learning supports (i.e. digital, blended, competency, virtual, etc.) implemented by school districts. |
| | 5.2 Ensure full integration of current technology and training into the classroom. |
| | 5.3 Continue to develop and maintain a comprehensive data system for monitoring student progress (K-12) and making decisions to improve educational practice. |
| 6.0 Human and Organizational Capital | 6.1 Identify and recruit the most talented candidates into teacher preparation programs. |
| | 6.3 Collaborate with the Georgia Professional Standards Commission, the Georgia Department of Education and other credentialing agencies to provide comprehensive strategies to find, grow and keep the most talented educators. |
| | 6.4 Organize personnel, distribute leadership and implement processes that maximize student learning. |

GEORGIA VISION PROJECT FOR PUBLIC EDUCATION

| | |
|---|--|
| 7.0 Governance, Leadership and Accountability | <p>7.1 Develop and implement at the local school district level an accountability system based on local district educational goals that are aligned with state educational goals and state accountability system, and which include clearly defined measures of school district, school and student success.</p> |
| | <p>7.2 Pursue all local and state options to provide for the equitable, effective and efficient delivery of instruction to all students in Georgia regardless of where they reside.</p> |
| | <p>7.3 Change and streamline the process by which local school districts obtain flexibility from state mandates so it is based on school and district performance expectations outlined in the district’s strategic improvement plan and takes into account the needs, resources, and characteristics of the local community. (Hall County chose SWSS contract.)</p> |
| | <p>7.4 Establish and maintain high performance organizations through development of local school district governance and leadership teams.</p> |
| 8.0 Culture, Climate and Organizational Efficacy | <p>8.1 Develop safe, orderly supportive learning environments built on respect and encouragement where all individuals believe they can make a positive difference.</p> |
| | <p>8.2 Make each Hall County school an inviting place to be for students, parents, staff and the larger community.</p> |
| | <p>8.4 Develop a culture and climate that foster innovation and responsible risk-taking.</p> |
| | <p>8.7 Get to know and be willing to truly listen to the students in our schools.</p> |
