# Dual Enrollment Student Profile

## Successful Dual Enrollment students are willing to....

- Dedicate themselves to studying
- Prioritize their collegiate work
- Turn in assignments on time
  - (on time is late and early is on time)
- Ask for help
- Are committed
- Are present minded

**The willingness to learn new concepts and new ideas helps determines success!**

# Why Dual Enrollment?

- Free books and tuition for almost all core and certificate classes
- One college class = two high school periods
- One semester = yearlong credit
- Ability to participate in high school classes & activities; use of college facilities, services and participate in college events (excluding playing NCAA sports)
- Get a jump start on college and ease the transition from high school to college
- CORE Dual Enrollment coursework transfers between all USG and TCSG institutions
- College classes are a semester long; 3hrs or more classes are credited as 1 full credit

# Dual Enrollment Considerations

## •Important Regulations:

- MAXIMUM of 30 hours of Free Tuition & Books (does not count toward HOPE hours)
- Students lose funding eligibility after two course withdrawals
- DE funding will not cover course re-takes
- Selective Service registration requirement
- Main campus students must follow the college schedule/calendar and provide their own transportation to and from the college

# Why Dual Enrollment at LCCA & IEC?

- Resources, Resources, Resources
- Smaller class sizes with like-minded peers
- Transportation provided
- Ability to attend multiple colleges if approved
- State of the art science and certificate labs
- Guidance that leads to success
- Courses follow Hall Co School District's calendar ONLY at IEC and LCCA

**Caring staff dedicated to student success!**

# Benefits of Dual Enrollment

Does not count against 127 HOPE/Zell Miller credit hours cap

Tuition covered up to 15 hours per semester  
(for a maximum of 30 hours throughout the program)

Get a jump start on college

Immersed in college life, while still having opportunity to  
enjoy high school activities

Courses apply to high school and college credit

Online classes available

# UNG Course Modalities

## F - FULLY AT A DISTANCE

All or nearly all of the class sessions are delivered via technology. The course does not require students to travel to a classroom for instruction; however, it might require students to travel to a site to attend an orientation or to take exams.

## F2F - FACE TO FACE

All of the class sessions are conducted in person in a classroom or lab. There may be online components of the class, but these are to supplement the in class instruction.

## H1 - HYBRID: 25-50% F2F

Technology is used to deliver 50-75 percent of class sessions. Segments of the class attend the classroom on a regular rotation based on classroom capacity with social distancing. **Students will be notified by their professor of their attendance requirements prior to the first day of class.**

# Admissions Criteria
