ADVERTISEMENT FOR BID

SITE IMPROVEMENTS

CHESTATEE ACADEMY
2740 Fran Mar Drive
GAINESVILLE, GA 30506

Sealed Bids will be received from Bidders by the Hall County Board of Education, 3255 Montgomery Drive, Gainesville, Georgia 30504, for:

The furnishing of all labor, materials, and services necessary for the construction of the Parking Site Improvements project at Chestatee Academy, until March 16, 2023 @ 1:00 P.M. Bids will be opened and recorded by the Owner and the results will be transmitted by email to all responding bidders within 24 hours of bid opening.

Bid documents may be obtained **at the office of Rochester & Associates, LLC, Contact: Trish Millard, Project Coordinator, 425 Oak Street, NW, Gainesville, Georgia 30094**, Phone: 770-718-0600. Statement of Qualifications must be received by the Designer and Owner for evaluation prior to issuance of the documents to Contractors. Applications for Bid documents and a Statement of Qualifications, must be received by Rochester & Associates prior to issuance of the documents to Contractors. These Bid documents, including all drawings and project manual, will be forwarded electronically via Sharefile from the Designer's office as soon as possible if the Contractor is approved for bidding the project. A copy of the Bid documents, including drawings and project manuals, shall be available, for review only, at the Designer's office.

All Bidders must submit AIA Document A305 Contractor's Qualifications Statement to be evaluated by the Owner and Designer prior to being issued bidding documents. Bidders who do not submit the A305 Statement will be subject to disqualification. The A305 must show the Contractor's ability to complete the Contract in a satisfactory manner on projects of similar scope and complexity. References from past clients and projects must be included and will be verified. As part of the pre-qualification process, **a Pre-Bid Conference will be held on site at Chestatee Academy on March 2nd @ 10:00 AM.** Failure to attend the Pre-Bid Conference may result in disqualification of the Bidders. Representative shall be Project manager or Estimator directly responsible for the Bid of this project. Any Bidders may be required, at the discretion of the Owner, to furnish evidence satisfactory to the Owner that his proposed subcontractors have sufficient means and experience in the types of work called for to assure completion of the contract in a satisfactory manner. Any Bidders that is disqualified may respond to the Owner in writing within 20 days of the Notice of Disqualification as to why the Bidders feels that the disqualification is unfounded. The written appeal from the disqualified Bidders will not change the decision already made on this project. However, a favorable appeal may open the way for the Bidders in question to Bid on future Hall County Public School projects.

Contract, if awarded, will be on a lump sum basis. The bids may not be withdrawn for a period of sixty (60) days after date of opening. Bids must be accompanied by an AIA Document A310 Bid Bond (2010) made payable to Hall County Board of Education, in an amount equal to 5 percent of the Base Bid price. (Certified, or personal, checks not acceptable.) The successful Bidders will be required to furnish a Performance Bond and a Labor and Material Payment Bond, each equal to 100% of the Contract Sum. These bonds are to be executed by a Surety Company licensed to do business in the State of Georgia, listed on "Department of the Treasury Circular 570", latest edition, and have an A.M. Best Company rating of at least Class "A", with a Financial Size of VI or better. Bonds must be accompanied by letter stating company's current Owner/Contractor agreement.

Time is of the essence to the Contract performance. Notice to Proceed will be issued after Board approval and following the Pre-Construction meeting as soon as all required paper work such as Contracts, Bonds, Insurance, Submittals, etc. are in order. Contractor shall mobilize within ten (10) days of the Notice to Proceed; however, construction must be performed within the time frame stated in the General Conditions.

SECTION 00 21 13
INSTRUCTIONS TO BIDDERS

1. DEFINED TERMS

- 1.1 Terms used in these Instructions to Bidders which are defined in the General Conditions of the Contract have the meanings assigned to them in the General Conditions. The term "Bidder" means one who submits a Bid directly to Owner, as distinct from a sub-bidder, who submits a bid to a Bidder. The term "Successful Bidder" means the lowest, qualified, responsible and responsive Bidder to whom Owner (on the basis of Owner's evaluation as hereinafter provided) makes an award. The term "Bidding Document" includes the Advertisement or Invitation to Bid, Instructions to Bidders, the Bid Form, and the proposed Contract Documents (including all Addenda issued prior to receipt of Bids).
- 1.2 Other terms used in the Bidding Documents and not defined elsewhere have the following meanings which are applicable to both the singular and plural thereof.

2. COPIES OF BIDDING DOCUMENTS

- 2.1 Complete sets of the Bidding Documents in the number and for the sum stated in the Advertisement or Invitation to Bid may be obtained from Rochester & Associates, LLC.
- 2.2 Complete sets of Bidding Documents must be used in preparing Bids; neither Owner nor Engineer is responsible for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents.
- 2.3 Owner and Engineer, in making copies of Bidding Documents available on the above terms, do so only for the purpose of obtaining Bids on the Work and do not confer a license or grant for any other use.

3. QUALIFICATIONS OF BIDDERS

- 3.1 To demonstrate qualifications to perform the Work, each Bidder must be prepared to submit within five days of Owner's request, written evidence, such as financial data, previous experience, present commitments and other such data as may be called for below (or in the Supplementary Instructions). Each Bid must contain evidence of Bidder's qualification to do business in the state, where the Project is located, or covenant to obtain such qualification prior to award of the Contract.
- 3.2 All bidders shall submit AIA Document A305 "Contractor's Qualifications Statement" with the submission of their bids (or approved equivalent). AIA Document 305 shall be original and not a copy. AIA Document A305 is available for purchase at www.aia.org/contractdocs/forcontractors/
- 3.3 Bidder must be a licensed General Contractor of the class required by Georgia Statutes for executing the work being bid and must have an active Prequalified Georgia Department of Transportation (GDOT) contractor certification.
- 3.4 Bidder must be a General Contractor with at least 5 years of contracting experience in the type or work involved in this Project, and must have performed work similar in scope to the work proposed in this Project.

4. EXAMINATION OF CONTRACT DOCUMENTS AND SITE

- 4.1 It is the responsibility of each Bidder before submitting a Bid, to:
- 4.1.1 examine the Contract thoroughly,
 - 4.1.2 visit the site to become familiar with local conditions that may affect cost, progress, performance or furnishing of the Work,
 - 4.1.3 consider federal, state and local laws and regulations that may affect cost, progress, performance or furnishing of the Work,
 - 4.1.4 study and carefully correlate Bidder's observations with the Contract Documents, and
 - 4.1.5 notify Engineer of all conflicts, errors or discrepancies in the Contract Documents.
- 4.2 Before submitting a Bid, each Bidder will, at Bidder's own expense, make or obtain any additional examinations, investigations, tests and studies and obtain any additional information and data which pertains to the physical conditions at or contiguous to the site or otherwise which may affect cost, progress, performance or furnishing of the Work and which Bidder deems necessary to determine its Bid for performing and providing the Work in accordance with the time, price and other terms and conditions of the Contract Documents.
- 4.3 On request in advance, Owner will provide each Bidder access to the site to conduct such tests as each Bidder deems necessary for submission of a Bid. Bidder shall fill all test cuts, cores or holes, clean up and restore the site to its former condition upon completion of such investigations.
- 4.4 The submission of a Bid will constitute an incontrovertible representation by Bidder that Bidder has complied with every requirement of Article 4, that without exception the Bid is premised upon performing and furnishing the Work required by the Contract Documents and such means, methods, techniques, sequences or procedures of construction as may be indicated in or required by the Contract Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.

5. INTERPRETATIONS AND ADDENDA

- 5.1 All questions about the meaning or intent of the Contract Documents are to be directed to Engineer. Interpretations or clarifications considered necessary by Engineer in response to such questions will be issued by Addenda mailed or delivered to all parties recorded by Engineer as having received the Bidding Documents. Questions received less than ten days prior to the date for opening of Bids may not be answered. Only questions answered by formal written Addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.
- 5.2 Addenda may also be issued to modify the Bidding Documents as deemed advisable by Owner or Engineer.

6. BIDSECURITY

- 6.1 Each bid must be accompanied by Bid Bond made payable to Owner in an amount of five percent of the Bidder's maximum Bid price and in the form of a Bid Bond issued by a surety meeting the requirement of the General Conditions. All bidders shall submit AIA Document A310 with their bid (or approved equivalent). AIA Document 310 shall be original and not a copy. AIA Document 310 is available for purchase at www.aia.org/contractdocs/forcontractors/.
- 6.2 The Bid security of the successful Bidder will be retained until such Bidder has executed the Agreement and furnished the required contract security, whereupon the Bid security will be returned. If the successful Bidder fails to execute and deliver the Agreement and furnish the required contract security within fifteen days after the Notice of Award, the Bid security of that Bidder will

be forfeited. The Bid security of other Bidders whom Owner believes to have a reasonable chance or receiving the award may be retained by Owner until the earliest of the seventh day after the Effective Date of the Agreement up to the 61st day after the Bid opening, whereupon Bid security furnished by such Bidders will be returned. Bid security with Bids which are not competitive will be returned within seven days after the Bid opening.

7. CONTRACT TIME

7.1 The time for starting and ending periods for access drive modifications are set by Owner and will be included in the Agreement. The Bidder shall provide in the Bid the number of calendar days for completion of the Project. However, work must be performed and completed during the period set by Hall County Board of Education.

8. LIQUIDATED DAMAGES

8.1 Not Used, BUT the Contractor is encouraged to notice the contract date of completion

9. SUBSTITUTE OR "OR-EQUAL" ITEMS

9.1 The Contract, if awarded, will be on the basis of materials and equipment described in the Drawings or specified in the Specifications without consideration of possible substitute or "or-equal" items. Whenever it is indicated in the Drawings or specified in the Specifications that a substitute or "or-equal" item of material or equipment may be furnished or used by Contractor if acceptable to Engineer, application for such acceptance will not be considered by Engineer until after the Effective Date of the Agreement. The procedure for submission of any such application by Contractor and consideration by Engineer is set forth in the General Conditions and may be supplemented in the General Requirements.

9.2 The material and equipment described in the Bidding Documents establish a standard of required function, dimension, appearance and quality to be met by the proposed substitution. No substitution will be considered unless written request for approval has been submitted by the Bidder and has been received by Engineer at least 10 days prior to the date for receipt of Bids. Each such request shall include the name of the material or equipment for which it is to be substituted and a complete description of the proposed substitute including drawings, cuts, performance and test data and any other information necessary for an evaluation. A statement setting forth any changes in other material, equipment or Work that incorporation of the substitute would require shall be included. The burden of proof of the merit of the proposed substitute is upon the Bidder. The Engineer's decision of approval or disapproval of a proposed substitution shall be final. If Engineer approves any proposed substitution, such approval will be set forth in an Addendum issued to all prospective Bidders. Bidder shall not rely upon approvals made in any other manner.

10. SUBCONTRACTORS, SUPPLIERS AND OTHERS

10.1 The apparent Successful Bidder, and any other Bidder so requested, shall within seven days after the Bid opening submit to Owner a list of all such Subcontractors, Suppliers and other persons and organizations proposed for those positions of the Work for which such identification is required. Such list shall be accompanied by an experience statement with pertinent information regarding similar projects and other evidence of qualification for each such Subcontractor, Supplier, person or organization if requested by Owner. If Owner or Engineer, after due investigation, has reasonable objection to any proposed Subcontractor, supplier, other person or organization, either may before the Notice of Award is given request the apparent Successful Bidder to submit an acceptable substitute, that Bidder's Bid price will be increased (or decreased) by the difference in cost occasioned by such substitution and Owner may consider such price adjustment in evaluating Bids and making the Contract award.

- 10.2 If the Successful Bidder declines to make any such substitution, Owner may award the Contract to the next lowest Bidder that proposes to use acceptable Subcontractors, Suppliers and other persons and organizations. The declining to make requested substitutions will not constitute grounds for sacrificing the Bid security of any Bidder. Any Subcontractor, Supplier, other person or organization listed and to whom Owner or Engineer does not make written objections prior to the giving of the Notice of Award will be deemed acceptable to Owner or Engineer subject to revocation of such acceptance after the Effective Date of the Agreement as provided in the General Conditions.
- 10.3 No Contractor shall be required to employ any Subcontractor, Supplier, other person or organization against whom Contractor has reasonable objection.

11. BID FORM

- 11.1 The Bid Form is included with the Bidding Documents; additional copies may be obtained from Engineer.
- 11.2 All blanks on the Bid Form must be completed in ink or by typewriter. The first page of the Bid Form shall be copied onto the Bidder's company letterhead paper.
- 11.3 Bids by corporations must be executed in the corporate name by the president or a vice president (or other corporate officer accompanied by evidence of authority to sign) and the corporate seal must be affixed and attested by the secretary or an assistant secretary. The corporate address and state of incorporation must be shown below the signature.
- 11.4 Bids by partnerships must be executed in the partnership name and signed by a partner, whose title must appear under the signature and the official address of the partnership must be shown below the signature.
- 11.5 All names must be typed or printed below the signature.
- 11.6 The Bid shall contain an acknowledgment of receipt of all Addenda (the numbers of which must be filled in on the Bid Form).
- 11.7 The address and telephone number for communications regarding the Bid must be shown.
- 11.8 Bids must be priced on a lump sum basis for the project and include a unit price for each item listed on the bid form only for additional work or change orders as described in the Specifications as provided for in the Bid Form.
- 11.9 The Bid shall include such amounts as the bidder deems proper for overhead and profit on account of cash allowances named in the Contract Documents, in any.

12. SUBMISSION OF BIDS

- 12.1 Bids shall be submitted at the time and place indicated in the Advertisement or Invitation to Bid and shall be enclosed in an opaque sealed envelope, marked with the Project title (and, if applicable, the designated portion of the Project for which the Bid is submitted) and name and address of the Bidder and accompanied by the Bid security and other required documents. If the Bid is sent through the mail or other delivery system the sealed envelope shall be enclosed in a separate envelope with the notation "BID ENCLOSED" on the face of it.
- 12.2 Prospective Bidders are furnished one copy of the Bidding Documents with one separate unbound copy of the Bid Form. The Bidding Documents may not be retained by the Bidder. The unbound

copy of the Bid Form is to be completed and submitted with the Bid security and the following data:

- 12.2.1 AIA 305 “Contractor's Qualifications Statement” (or approved equivalent).
- 12.2.2 AIA A310 Bid Bond for 5% of the contract amount (or approved equivalent).
- 12.2.3 Documentation that he or she is or has hired a sub-contractor who is qualified and licensed to perform the removal of asbestos containing materials in the state of Georgia.
-N/A

13. MODIFICATION AND WITHDRAWAL OF BIDS

- 13.1 Bids may be modified or withdrawn by an appropriate document duly executed (in the manner that a Bid must be executed) and delivered to the place where Bids are to be submitted at any time prior to the opening of Bids.
- 13.2 If, within 24 hours after Bids are opened, any Bidder files a duly signed, written notice with Owner and promptly thereafter demonstrates to the reasonable satisfaction of Owner that there was a material and substantial mistake in the preparation of its Bid, that Bidder may withdraw its Bid and the Bid security will be returned. Thereafter, the Bidder will be disqualified from further bidding on the Work to be provided under the Contract Documents.

14. OPENING OF BIDS

- 14.1 Bids will be opened publicly. An abstract of the Base Bid and major alternates (if any) will be made available to Bidders within 7 days after the date of the Bid opening.

15. BID TO REMAIN SUBJECT TO ACCEPTANCE

- 15.1 All bids will remain subject to acceptance for sixty (60) days after the day of Bid opening, but Owner may, at its sole discretion, release any Bid and return the Bid security prior to that date.

16. AWARD OF CONTRACT

- 16.1 Owner reserves the right to reject any and all Bids, to waive any and all informalities not involving price, time or changes in the Work and to negotiate contract terms with the Successful Bidder, and the right to disregard all nonconforming, non-responsive, unbalanced or conditional Bids. Also, Owner reserves the right to reject the Bid of any Bidder if Owner believes that it would not be in the best interest of the Project to make an Award to that Bidder, whether because the Bid is not responsive or the Bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by Owner. Discrepancies in the multiplication of units of Work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.
- 16.2 In evaluating Bids, Owner will consider the qualifications of the Bidders, whether or not the Bids comply with the prescribed requirements, and such alternates, unit prices and other data, as may be requested in the Bid Form or prior to the Notice of Award.
- 16.3 Owner may consider the qualifications and experience of Subcontractors, suppliers, and other persons and organizations proposed for those portions of the Work as to which the identity of Subcontractors, Suppliers, and other persons and organizations must be submitted as provided in the Supplementary Conditions. Owner may also consider the operating costs, maintenance requirements, performance data and guarantees of major items of materials and equipment proposed for incorporation in the Work when such data is required to be submitted prior to the Notice of Award.
- 16.4 Owner may conduct such investigations as Owner deems necessary to assist in the evaluation of any Bid and to establish the responsibility, qualifications and financial ability of Bidders, proposed Subcontractors, Suppliers and other persons and organizations to perform and furnish the Work

Instructions To

in accordance with the Contract Documents to Owner's satisfaction within the prescribed time.

16.5 If the Contract is to be awarded, it will be awarded to the lowest Bidder whose evaluation by Owner indicates to Owner that the award will be in the best interests of the Project.

16.6 If the Contract is to be awarded, Owner will give the Successful Bidder a Notice of Award within sixty (60) days after the day of the Bid opening.

17. CONTRACT SECURITY

17.1 The General Supplementary Conditions set forth Owner's requirements as to Performance and Payment Bonds. When the Successful Bidder delivers the executed Agreement to Owner, it must be accompanied by the required Performance and Payment bonds.

17.2 The Performance Bond shall be submitted on the current AIA form A312 (or approved equivalent).

17.3 The Payment Bond shall be submitted on the current AIA form A312 (or approved equivalent).

18. SIGNING OF AGREEMENT

18.1 When Owner gives a Notice of Award to the Successful Bidder, it will be accompanied by the required number of unsigned counterparts of the Agreement with all other written Contract Documents attached. Within fifteen days thereafter, Contractor shall sign and deliver the required number of counterparts of the Agreement and attached documents to Owner with the required Bond. Within ten days thereafter, Owner shall deliver one fully signed counterpart to Contractor. Each counterpart is to be accompanied by a complete set of drawings with appropriate identification.
