Final HCSD Budget Recommendations, 7/15/24

We continue to make journal entries and realize the efficiencies of utilizing federal CARES funding to offset significant cost increases brought on by inflation. Due to superintendent Woods diligent work, allowing us to utilize some funds in this manner, I expect our ending balance to rise over the next few months and therefore recommend the following for our FY 25 HCSD Budget:

1. A one-time \$500 supplement for all full-time employees who work directly for the Hall county school district. This supplement will be paid in the November payroll. Part-time employees would qualify for proportionate amounts. Cost will be approximately \$2.5M. This will be in addition to state and local raises already in the proposed budget.
2. A lowering of the millage rate from the current 15.64 to 14.99. This is now a decade of lowering school millage rates, and represents a lowering of local tax revenue of almost \$6.2M. It also puts us in a position to spend almost \$10M of reserves this year. It should be noted that if state or local legislation regarding the capping of homestead property values is passed, this lowering of the millage trend may be over, especially for property tax owners of non-homestead exemption property.
3. Over the next few months, I would ask the board to consider transferring some General Fund reserves into your building fund. With the 35-45% inflation we have seen in construction costs, we will be unable to complete our 10-Year Plan with our bond and E-SPLOST funding.

Respectfully,

Will Schofield, Superintendent

FY 25 General Fund Budget Summary

Summary: The Hall County tax digest from the fiscal year 2022 values our local properties significantly below market value as compared to the other counties in Georgia. This calculation is based upon a comparison of assessed values and actual market sales. Our state funding (Quality Basic Education) penalizes our district an additional \$6.1M because of this undervaluation. This challenge, along with our loss of state equalization dollars is the driving force behind an FY 25 General Fund budget that will project to spend approximately \$6M of reserve funds.

Revenue:

-State Local Fair Share (\$42,321,311)	(\$6.1M)
-Potential Increase of Personal Property Exemption	TBD
-State Transportation (\$7.9M)	\$5.4M
-State Equalization (0)	(\$1.1M)
-Total QBE Including Health Insurance and Raises	\$11M
Large Item Total	\$11.3M

Expenditures:

-Certified \$2500 raises	\$6.8M
-Classified \$1000 raises	\$1.2M
-Certified/Classified step raises	\$2.6M
-TRS Increased rate	\$1.4M
-Health Insurance premium increases	\$6.2M
-New reading curriculum	\$3-4M
-Additional market-sensitive salary increases	\$1.5M
Large Item Totals	\$22.7M

Proposed Salary Changes Based Upon Salary Study (Market Sensitive)

May 1, 2024

I.	Extra-Duty certified supplements. We are consistently ranked near the bottom of our 9 district area, and I propose a significant re-vamping of our scale to include department heads, fine arts, athletics...	\$530,000
II.	District Certified Coordinator positions currently do not get a supplement. I propose a \$2,050 supplement for taking on that responsibility.	\$80,000
III.	Current Hall county 12 month employees work a 245-day calendar. Our colleagues utilize a 240-day calendar. This would be minimal cost to only our 12 month classified employees who work overtime.	\$30,000
IV.	Restore paraprofessionals to a 190 day calendar which was lowered to 187 during the Great Recession.	\$150,000
V.	Provide extended day for self-contained special education teachers, one of our most challenging positions.	\$400,000
VI.	Provide a \$1,000 supplement for self-contained special education paraprofessionals.	\$190,000
VII.	Increase ESOL Lead supplements at all schools to \$1,100.	\$25,000
VIII.	Increase principal per student supplement by \$2/FTE at their school.	\$56,000
Total in FY 25 budget for market-sensitive adjustments		\$1,461,000

With our continuing attention to talent development and finding diverse learners with gifted abilities, I anticipate the number of children referred for testing to grow. (CogAT: \$18,000; Torrance scoring: \$5,000; Iowa Acc. Scale: \$500) (2) SEARCH Program and Honors curriculum materials: Periodic review of our SEARCH curriculum and SEARCH PLC activities revealed needs to add units in mathematics and ELA to support advanced students' growth on MAP testing; strengthen our units' connections to the HallCo literacy initiative; and develop support materials for classroom differentiation that help teachers emphasize challenge and creativity in content instruction (\$8,000).

This is also the budget line for other textbooks for honors courses. I've reduced this by \$3,000 since AP Precalculus is now well underway.

To maintain the rigor that distinguishes these course, we rely on extension materials, including primary sources. As we continue to refine the honors curriculum, I anticipate that this budget cab be reduced by \$2,000 from last year.

We received \$7000 from the AP Teacher Training Grant for FY 2024, so we will again need to fund some AP teacher training from my budget. And Hall County teachers and leaders are consistently selected to be presenters at the GAGC convention; I would like to continue to pay for their convention registration. Note: The budget balance in this line is large because expenses for AP Summer Institutes, conference PL, and other PL we have planned for summer 2024 have not yet been deducted. Additionally, Confratute is back with face to face opportunities, and our Schoolwide Enrichment schools will benefit by sending representatives (\$6,000).

I would like to continue to pay for their convention costs, and these funds would cover mileage, hotel, and meals for up to 5 teachers/leaders to attend the NAGC Convention in Orlando in 2023, an experience that will further increase their expertise in rigorous, innovative programming (5 x \$1400 = \$7000). Additionally, employee travel to GAGC may come from this budget line, and Anna is able to pay for 15 additional GAGC registrations; For the Learning Forward conference, Confratute, APSI, AP National Conference, GLMA Summer Institute, and AASL Conference, these travel funds are increased for FY 24. (Although there is an increase in this budget, because of canceling the previous budget lines for gifted instructors, the overall PL budget will still be \$8,000 less than FY 23.)
