DVA Applications are now open for the 2025-2026 School Year!

If your child has an interest in the arts, science, and/or technology and enjoys learning in a challenging environment, he or she should consider applying to Da Vinci Academy. Da Vinci Academy is part of the Academies of Discovery at South Hall Middle School. Classroom sizes are small (20 or less) and all content areas are advanced, moving at a faster pace than traditional classrooms.

Teachers create engaging units that connect learning across subject areas through integrated skills and themes; students work both collaboratively and independently. Parents volunteer, and if the student is not zoned for South Hall Middle School, parents provide transportation to and from school. To find out more and pick-up an application, **please join us at one of our informational meetings coming soon at DVA** (3215 Poplar Springs Rd. Gainesville, 30507).
