FY 26 General Fund Budget Highlights

August 20, 2025

- **Revenues (Total revenues up 4.55%):**

- State Revenue Change +\$6.0M
- Local Revenue Change +\$10M
- Beginning Balance Projection (As of July 2025) \$94 - \$95M
- Local Revenue First Estimate Information (*Assuming more than a full roll-back*) :
 - Hall County digest exemptions rose from \$2.6B to over \$3.5B, a 36% increase over last year.
 - Percentage of digest now exempt goes from 20.8% to 25.4%.
 - We continue to have regular correspondence with the county regarding the auditing of property tax exemptions. We anticipate receiving their plan to ensure the state and local exemptions are being applied, annually, correctly.

- **Expenditures (Total Expenditures up 2.78%):**

- Health Insurance Premium Increases (\$7.135M)
(Total employer premiums FY 26 - \$58.5M)
- TRS, Employer Portion (\$2.17M)
(Total employer portion FY 26 - \$41.22M)
- Step Raises for Team Members (\$2.693M)
- Additional staff (Special Education Majority) (\$1.5M)
- Custodial/General Insurance Increases (\$600K)
- Total Increases for These Areas (\$14.095M)
- We now project utilizing approximately \$6M of reserve funds.
- Rollback rate now actually goes up to over 15 mils. i.e. We will collect less this year on property that was on the digest last year.
- We have made our expectations clear to the county that we expect exemptions to be audited for accuracy, beginning with the senior exemption, which we have concerns about. If exemptions have been misapplied, we will expect back taxes and interest.
