# What Is Dual Enrollment?

# A Tale of Two Programs

**Core and 2000-level non-Core classes**

*Weighted on a **5.0** scale (same as AP/IB)*

&

**Certificate Courses**

*Weighted on a **4.5** scale (same as high school Honors classes)*

# Why Dual Enrollment Is a Win for Students & Families

## **Free Tuition & Books Up to 30 Credit Hours**

Core and certificate classes cost nothing (excluding lab and some material fees), saving thousands on college.

### **Double the Credit, Half the Time**

One college class counts for two high school periods, earning a full year of credit in just one semester.

### **The Best of Both Worlds**

Stay active in high school life *while also* enjoying college campus events, and resources. Students speak highly about the smooth translation dual enrollment provides between high school to college life.

# Why Dual Enrollment Is a Win for Students & Families

## **Head Start on College**

Earn transferable college credits now, boost confidence, and save money while still in high school.

## **Credits That Travel**

CORE classes from UNG, Lanier Tech, and many from Brenau transfer to USG and TCSG schools.

## **Bottom Line**

College - staying on track & exploring opportunities, cutting costs, and stepping into college with experience and confidence.
