What is dual enrollment?

- Taking college courses while in high school
- A jump start to get a head start
in college,
in career, and
in adult confidence

Why dual enrollment?

Free Tuition

College classes are **FREE** (excluding lab and some material fees), **up to 30 credit hours!** Save thousands!

Double Credit

Courses count on **both** high school and college transcripts & GPAs!

College Credit

Core classes from UNG, Lanier Tech, and many from Brenau **transfer** to USG & TCSG schools!

Best of Both

Stay active in high school while enjoying college campus events and resources!

GPA Boost

**5.0
Scale**

Core Classes

Ex: English, Math,
Modern Language,
Psychology

(same as AP/IB)

**5.0
Scale**

2000-level non-Core Classes

CRJU 2020

(same as AP/IB)

**4.5
Scale**

Certificate Classes

Ex: Welding, Diesel,
Electrician, Criminal
Justice, Cosmetology

(same as honors)

Fun Facts about Dual Enrollment

Schedule

One college course allows up to 2 release periods from the high school schedule.

Credit

Earn a full credit for a course in ONE semester, so you experience new classes each semester.

Time

Jump start toward being career-ready, confident, knowledgeable, & independent.

Hall County College Partners

For online and on-college-campus courses, students provide transportation and follow the college academic calendar for those courses, which will not align with the HCSD calendar.

The Brenau Promise for HOPE and Pell Recipients

The Brenau Promise

— for HOPE and Pell recipients —

- ❖ The Brenau Promise does not cover the cost of transportation, supplies, books, housing, meals or other university fees.
- ❖ To be eligible, a student must be a full-time, first-time freshman, *qualify for both the HOPE Scholarship and Federal Pell Grant* at any level as well, meet the Georgia residency requirement and sign a Brenau Promise Agreement.

The Brenau Promise ensures that an eligible student's *full tuition and Institutional & Instructional (I&I) fee* are covered after all applicable institutional, state and federal scholarships and grants have been awarded. This means that a qualified student, who remains eligible, will *pay \$0 out of pocket* for their *tuition and I&I development fee* over the course of their undergraduate education at Brenau.

Brenau
